

Oneness is Essential

(Transcript from my audio journal recording)

"Yes it is. That's a good analogy. It shows our relationship. It shows that I'm in the lead and you follow and we work together. Ministry has to be like that 'cause I'm the co-ordinator and I'm the 'head'.

Flow with me and you'll flow down the right paths as a river follows the lay of the land. I am the lay of the land you'll flow down, so construct your circumstances so you flow in the direction I want you to go. And it is downhill. It is easy. It's not uphill requiring effort. Water flows downhill, and so my Spirit will take you down the paths that are easy, if you flow with me. Down the rills and the ruts, over the surface of the land, to end up at the destination. The sea is the destination of rivers and my destiny for you lies ahead, down a tortuous path, twisting and turning, with convolutions and drops and races and runs. To one it's a gleeful time.

As the water shimmers, so you will shine. You'll reflect the light of the Son. I am the Son and you'll reflect my glory. As the sun dances on the surface of the water, creating beautiful effects, so my light shining off you will create effects that will attract and draw people.

I'll give you favour - favour with the masses and favour with the saints. Favour that comes from me, not something you've conjured up and forced. It's something that flows - flows from my throne. It flows out of love and it flows with reason. It's not based on emotions, but reason - my purposes.

My love for you is strong. You are 'the apple of my eye', my favoured one. My favour rests on you. Draw close to me, closer to me and feel that favour. Feel the warmth of my presence. Be my lover, as in the Song of Solomon, the one who loves me. Bear fruit for me, as fruitful as the Shulamite women was seen by the king in the Song of Solomon. I see you as fruitful, as a fruitful bough that bears fruit.

Look straight. Not to the right and to the left, look straight, straight ahead to the goals. Remain focussed, single-minded, because the road is hard and the distractions are great. It's my pleasure to guide you through the maze that's ahead - the labyrinth of spiritual and mental and physical. The realm of the spirit is mine and I will take you where I want. You need not fear because I am the Master. Under the shadow of my wing you will find protection, you'll find comfort. You'll find affection and you'll feel loved and appreciated. You'll feel my warmth, you'll feel content. You'll become enthused because you'll want to do what I want you to do.

Stay close to me. The darkness is all around you, trying to engulf you. The enemy is there before you, but he is defeated - defeated in me. So, you must defeat him in me, not in your own strength, but in my strength.

There's a lot to do and time is short, so let's keep focussed. Focus on the main thing. The main thing is my work its [about] my progress through eternity past to eternity in the future. These are my plans which are being laid bare in these Last Days for all to see. It's plain to those who have eyes to see. I'm making it known. I don't want people to walk in darkness, but in the light.

Listen to me. Hear my voice and I will lead you, lead you as a lamb, gentle, totally dependant. I don't keep you on a leash, I work with you. I don't try to control you, but I ask that you submit to me - submit to my will. These are the days when submitting to my will is essential. These are the days in the spirit that highlight the need to be one with me. Oneness is essential. It's all encompassing. It's magnificent. It's enthralling. It's motivating. It's the way to go. We are one together, you and me. Let's fight the fight with all our might, together. In unison, joined.

This is a great day. I love you.
