

More on this Current Time in the Kingdom

(September 2020)

Following on from the prophetic insight I was given concerning the current season we are in,¹ a time when Forerunners are leading the vanguard for the restoration of all things, this is an update. More information is being received to cement this time in our understanding and to equip us with the knowledge we need to move forward without deviation. There will be glory rising alongside the rise of darkness, so we must focus on where we are going and make sure we are aligning with Heaven every step of the way. Read on!

KINGDOM MESSAGES

Marsha Burns

(★prophetic downloads recorded in September 2020)

“The doors of days gone by are closing, and new doors will begin to open that will allow you to forge ahead. This process will not necessarily be a quick turn-around but will be a significant change. Do not resist change; it will be an outward sign of inward spiritual growth. Maintain an open mind and heart so that your movement will be of and by My Spirit.”²

Andrew Towe

(★extract from a prophetic article published on 3-9-2020)

“Get ready for a sudden surge! Things that have been held back are suddenly being released. Promises that you gave up on long ago are coming full circle in this hour. There is a shock-like wave that is coming, and all the world will see what I am doing. I am bringing forth a strong movement, unlike any that you have ever seen in the past. It will indeed be a rush and a sweep of victory. I have heard the prayer of My people. I have seen their tears and have come down to deliver them. This world will gasp with amazement as I accelerate My plan and My people forward. No longer will My church be kept silent, hidden behind locked doors and confined to church pews. No! There is a roar that will not be quieted. I am calling forth all the lovers of My presence and the releasers of My glory. I sound the prophetic trumpet and declare that this is the time to let My voice boom to the nations!”³

(★extract from a prophetic article published on 2-9-2020)

“Be the storm or face the storm. You choose. For surely the enemy has many plans and supposed surprises for September. However, My children, I am inviting you to be the big surprise and the big storm of September. I am saying, mobilize, move, march, meet, mix, meld and maximize. Maximize who I am in you. Weaponize who I am in you. Maximize by coming together in every way possible. Weaponize who I am by allowing Me to stir up radical love in you.

I will be looking at you and following your lead. I will go where you go. I will move where you move. I will target what you target. I will expose what you expose. We are doing this together. We are taking back your cities, your states and your nations. We are saying ENOUGH to death, destruction, deception and darkness! We are not passively waiting to see what awful and cowardly thing the enemy will next do. ENOUGH!

You will do your part and I will do My part. I am teaching you how to be deliverers. I am training you how to become reformers. I am lifting you up to higher places and you must learn to remain and operate at that level.

No more hunkering down. No more fear. No more dread. No more waiting for the other shoe to hit. No more passivity. No more pretend meekness. No more patronizing darkness. No more tap dancing with evil in government and calling it honor. No more. No more. ENOUGH!

You will now rise. You will now be the storm of all storms against the enemy. You will be active with your prayer life. You will be active with your praise life. You will be active with your engagement of society. You will not be quiet. You will not be silent. You will not remain muted. You will not be meek in this battle but you will be mighty.

When Goliath is breathing down your neck it is not the time to promote restraint. When Jezebel is on the prowl it is not the time to embrace mildness. They operate together through your media today. Somebody blow a trumpet! Sound an alarm on My holy mountain. This is an enemy you must behead. This is a foe you must rise with courage against. I will stun him with your little stone but you will then use his very own weapon and behead him.

How you say? Well, I say to you, use your mouth, use your media, use your worship, use your praise, use your prophetic decrees, use your shofars, use your songs, use your tongues. Goliath’s sword was his mouth; use it back on him. Break, once and for all, the lie of powerlessness. Greater am I in you than what you can imagine. No more hiding and waiting. ENOUGH!

Yes, the battle is Mine, but I act when you show up on the battlefield. I respond to your courage to be there. I am teaching you that when you move on Earth it moves Heaven. Show up everywhere you want Me to show up – and I will. We can set the agenda of the next three months and keep the enemy in continual flight. We can snuff out the big blows.

Believe it or not we are closer to massive breakthrough than you can imagine. The angels I am now sending are mop-up angels. Their wings carry thunder and lightning and they are great golden angels – but it is mop-up time.

*The big enemies have already been dealt with. I have already moved Heaven and Earth on your behalf. Yes, it is all about the children and it is all about the nations. I am rescuing both, but move with Me. I am removing long-standing deep darkness. I am securing the advent of a new day. I am releasing you into a **new era**. You will hold the ground we are now taking and you will launch forward from this new place.*

Today rise up and be moved deeply. Let Me, through you, be the storm of all storms released on the enemy. He has it coming to him.”⁴

(★prophetic article published on 17-9-2020)

*“This month, the Lord has been speaking to me about the seriousness of the season, revival, and different types of awakenings. And then one night, I heard the Lord clearly say, “**This is a wake-up call.**”*

We’ve always said that the church could not have a revival or an awakening until someone, at least one, was revived or awakened. In fact, I believe that, right now, He’s busy awakening a company of Awakeners that will awaken others. And today, you’re receiving your very own personal wake-up call! The nations will not be awakened until we finally awaken to His glory that wants to arise in and through us!

I used to think that perhaps there would be another Evan Roberts, another William Seymour, another Charles Finney. But no, it’s us. It’s time for all of us to shake off our complacency and arise! ...

I saw eyes opening. And the Lord is awakening our eyes to what really matters in life. And He’s giving us eyes to see past our difficulties to see Jesus the one who holds all the answers...

In Jesus Christ, we all have the capability to be an Issachar, knowing the signs of the time and the best course to take.

We possess Christ’s perceptions and, with our eyes awakened, the Lord is going to raise you up as one who rejoices over the future, not just survives. For the Lord is awakening our perception and discernment in this hour to understand the best course to take. He created us at our new birth to see things differently. We have the possibility to see the sunshine when others see rain, to see an army when others just see bones. And I hear the bones rattling in this hour and coming together. An army is rising up (Ezekiel 1:10), an army with understanding like the sons and daughters of Issachar! And discernment and understanding of the way ahead are being revealed by the One who made the seasons. Press into His heart today. Ask, seek, knock, and doors of revelation and understanding will open. He is enlightening eyes to see, to see what others are missing. Find the light that is found in the beautiful face of Jesus!

The Lord is awakening His Deborahs in this hour! Girls, it’s time to come out of your hiding! The Father has been waiting for you to arise and run with the Baraks. Some have already answered the call, but He’s calling out for more to arise and take their place! For the harvest is plentiful and great and more are needed to bring it in. It’s time to run together bringing hope and life to a lost and dying world. Time to take back what the enemy has stolen. We need you Deborahs, with your Spirit of discernment and encouragement to run along-side the Baraks...

*So, I dreamed a second time that God came to me again and said, “**This is a wake-up call!**” This time, it was a warning dream.*

And I heard the scripture, 2 Corinthians 15:35, “Awake to righteousness and sin not, for some have not the knowledge of God” and I heard Him emphasize the last part of the scripture, “for some have not the knowledge of God.”

Shame on us if we fail to walk in righteousness as sons and daughters of God, for not only is our own life hindered, but also those that are around us. And worse than that, we hinder the harvest of souls that are waiting to come into the kingdom. Lukewarm Christians are not just distasteful to God (Revelation 3:16) but to everyone around them...

What are some of those foxes, the things that hinder your love for Christ? What are the things that easily beset you? It could be a number of things: struggling with your identity, worry, fear, trust issues, addictions, distractions. Whatever it is, it’s time to confess, repent, and go back to your first love! ...

It’s time for your own personal awakening! Take time for more of His love!

It’s time! ”⁵

Laurence Smart

(★A prophetic message received on about 9-3-2020)

This message agrees with Candice Simmon's message above. I received it as a prophetic wake-up back in 2008, but now in this season of the Kingdom it's an imperative. We must take our place in the King's army, NOW. There'll be repercussions if we don't.

*"The church is standing around not knowing that they are in the King's Army – that they are soldiers. **This is a wake-up call.**"*

When I spoke the message in front of the Prophetic Council team more was added and emphasised.

*"The church is standing around not knowing that they are in the King's Army – that they are soldiers. This place will be an assembly point for the Army. This place will be a marshalling point for the Army. **This is a wake-up call. This is a wake-up call.**"⁶*

(★prophetic download received on 6-9-2020)

"Yes, it's time to start marshalling my army and issuing commands. The time for 'dilly-dallying' is passed. It is time to get serious. I've been speaking through my prophets, and through those with a prophetic unction, for decades and decades, encouraging my people to draw close to me, to trust me, to let them know that I love them, but all to seemingly no avail. I only have a small number who have steeled themselves, firmed up their commitment and said, "Yes, get me ready for the battles ahead". And so, it is to these that I will be speaking in many of my messages, and these communiques will come across as commands from the Commander-in-Chief of the armies of Heaven. They will not be to make you feel 'warm & fuzzy'. They will not be to encourage you with compassion. These will be war-time, frontline directives. They will be straight to the point, they will be firm, and, they are for your compliance.

I cannot move ahead with the small army that I have, and prepare them for the battles, unless they heed these strong commands that I will be giving. So change your mindset. Stop thinking biblically.⁷ The time is passed. It is today, a new day. We are in the battle for the overthrow of the Kingdom of Darkness, leading up to The Restoration of All Things and the full expression of my Kingdom here on Earth, just like it is in Heaven.

I've told some of you that I am setting your foreheads like flint, hard as rock, to oppose those who oppose you, because this war that we are entering into, the one that is escalating beyond your imagination, will be against the Kingdom of Darkness, but it will also be the Kingdom of Darkness operating through people.

So, it's time to think militarily. Time to think warfare scenarios.

Listen, don't be put off by what I say. It's all up to you to receive in the right heart attitude."⁸

Ron McGatlin

(★Extract from a prophetic article published on 8-9-2020)

"God is taking us a way we have not been before to a place we have never been, to do things we have not done before, in a new and greater way.

From the passing church age of worldwide growth and development, we have matured into a new era.

God has not changed. However, mankind has changed and is changing to become more aligned with where God has always been. As we the people of God change, our relationship and interactions with God are changing.

6 – canberraforerunners.org/wp-content/uploads/2013/03/Wake-up-Call-prophetic-declaration-9-3-2008.pdf

7 – The understanding that was deposited in my spirit as I spoke this sentence was that the messages will be military in style. Therefore, they will not fit in with the NT standard used for prophesy which is edification, exhortation and comfort. Instead, they will contain statements more in line with what was given to King David during battles. As an example, see 2 Samuel 5:23-25.

8 – canberraforerunners.org/wp-content/uploads/2020/09/MESSAGE-Military-Messages-6-9-2020.pdf

There are two major aspects that are helpful to us in understanding God's work of change on earth. One is the personal individual change of our own life, and the other is the change of the collective universal Body of Christ as a whole.

Individuals are at many different levels of maturing into each person's place and part in the universal Body of Christ that is becoming the Bride of Christ, producing many Sons.

Forerunner apostolic and prophetic individuals are sent into the universal Body to bring change in the hearts of elders who will assist the youngers to grow into the way of God.

All elders including the forerunners were once youngers with the God-given personality of gifts and provisions to grow into their place in the universal Body of Christ that is becoming the Bride of Christ.

The church is going through a metamorphous process similar to a butterfly or moth. The caterpillar stage is the time of coming forth from an egg to feed upon vegetation and grow rapidly while storing energy for a transformation to a much greater life.

In the caterpillar stage the church has grown into mega churches and massive organizations. It has feasted upon the word of God and been blessed abundantly in recent centuries.

It is like a death to the church as it now enters into a cocoon or pupa stage to morph from its caterpillar-like life to be dissolved and remade into the mature adult stage of the kingdom of God on earth.

A very different thing will come out of the cocoon stage than went into the cocoon or hidden lockdown stage of transformation. The butterfly kingdom age is very different from the caterpillar church age that went into the cocoon. It has a whole new life and a whole new name.

The church as we have known it and called it no longer exists. That which comes out of the cocoon is a new creation. It is not an improved version of the old.”⁹

(★Extract from a prophetic article published on 17-9-2020)

“The fire of the love of God has inflamed passionate love that is engulfing the hearts of God's chosen sons and daughters. We are being consumed in His love.

The great light of God's love shining upon Earth is exposing the evil darkness that has been shrouded in the fog of false gods of religions and great darkness.

In this hour of created existence, both death and life are coming to fruition in this world. Mankind is facing the death of our false gods. The demonic fruit of the idols of man are becoming blatantly visible for all to see.

A great division of those of the light and those of the darkness is taking place. Individuals and nations are being divided as a shepherd of old would divide his sheep from the goats.¹⁰

Those who love evil will now rush toward the darkness to be annihilated in the Earth-cleansing fire of God.

Those who love the light will now rush toward the great light of the love of God and be set aglow with the fire of the love of God.

All of the remaining trappings of darkness that were upon those who come to the light will be cleansed from them. Their idols will be thrown away and burned in the fires of pure love. Joy will surge forth from within them and perfect peace will flood their souls.

Do not be dismayed by the extreme changes and the turmoil of the great divide of light from darkness. Being totally in love with God in Christ Jesus will take us through the death of the past and the entrance into the glory of the love of God in His Kingdom on Earth as it is in Heaven.”¹¹

"The Lord responded with a vision. I knew this vision was not just for me. It is a prophetic invitation for all who want to step into more revelation for this season.

Suddenly, it appeared that I was in outer space. I could see clearly even though it was dark. Stars and galaxies were scattered throughout the vastness surrounding me.

Standing at a distance, Jesus had His hand on a steel door frame. There was a lintel and the doorposts and the threshold at the bottom, but no door.

I sensed an unspoken invitation from Jesus to step through. My immediate response was, "Of course, I want to step through."

As I moved toward the door frame, Jesus stopped me, saying, "This is serious. If you step through the door, your life will never be the same. There will be a refocus of your time and energy."

Puzzled by His words, in a flash, my mind went to John 6 where Jesus asked the disciples if they wanted to leave Him.

I turned to Jesus and said, "Where else would I go?" I looked straight into His eyes; I knew I had to step through.

As I crossed the threshold to the other side, light surrounded me. There seemed to be hundreds of brilliant shining lights flying toward me at a high rate of speed.

The Lord showed me these orb-type lights were revelation lights. They are "now" words streaming out of heaven.

Then, the Lord showed me three things I was to do.

—Catch the revelation light.

—Consume the revelation light.

—Release the revelation light.

I opened my mouth and let the revelation light come in.

It seemed odd because I could have as many as I wanted and not be full. I was not limited to how much revelation light I could receive.

The vision came to an end." ¹²

"The Lord says: "We are in a time and season where decisions are being made. Paths are being laid out. Roads are being paved and relationships are being secured.

We are in a time where the Lord of hosts is making amends and is adjusting things into your destiny.

This is a crucial time...

It's time for you to cross over the compromise, the muck and the mire to enter into the abode of God and into the greater glory! ...

This is a season where mantles of destiny and scrolls of authority are being released...

Nations are crossing this threshold. Your friends are crossing this threshold. Your family is crossing this threshold!

Nothing of the old will cross over. Only the new in Christ Jesus can live!

*Be on the lookout for the next 40 days of war, for what I am about to do in the nations of the earth is going to shock the whole world, says the Lord!"*¹³

OPPOSITIONAL ADVICE

Ron McGatlin

(★extract from a prophetic article published on 22-9-2020)

“The seas of unstable godless masses roar with wild swells of fear and insane rage. Storms of overheated seas of fear and hate collide with the cool and calm peaceful love of God. The roaring storms are sending massive waves of destructive evil response attempting to destroy the rule of peace and power of God on Earth.

While the lukewarm church systemized itself into spirit-numbing sleep by setting its affection on things of comfort and self-pleasure, the forces of darkness conquered the hearts and minds of our children and youth.

Over the past 60+ years, while the church systems slept, secular universities and colleges became infiltrated and then controlled by darkness of godless intellectual insanity.

*Our nations have become our own worst enemies. The children of the nation have become accursed and fit only for destruction. Now the accursed children have become the adult leaders of our nations. Those who teach and train the next generation to hate light and love darkness. They are re-polarized to see light as darkness and darkness as light.*¹⁴

The primary dominant culture of light that ruled in the past has now become a remnant sub-culture. The past sub-culture of darkness has now become the dominant culture of darkness.

Over the past century the true Body of Christ has been brought into a Holy Spirit-led awakening to the reality of the Kingdom of God coming forth in the hearts and lives of the people of God. For the first time since the first century the gospel of the Kingdom is again feeding the love and power of God into the Kingdom people of God on a broad scale. The old lukewarm religion of the church systems that has blinded the minds of the people to the reality of the Kingdom of Christ in His people is coming down and falling away...

We have entered the beginnings of the most turbulent time on Earth as the showdown battle of the Kingdom remnant army of God dethrones the powers of darkness from ruling on Earth...

Our affection is ever set on things above and not on the troubles and threats of darkness on Earth. We are prepared and ready to enter the battle as victors.

*As we continue to set our affection on things above and think on that which is ultimate truth of love and power from Heaven, peace will guard our hearts minds. God will see us through with ever-increasing faith based in His ultimate love and power.*¹⁵ ...

It will seem within us that we are moving in very slow motion with time to view each action in detail as it takes place in battle. We will have ample time to consider and make the right defensive and counter offensive moves. All the while, in natural reality, things are happening very fast. However, our spirits and minds will be quickened and moving many times faster than the natural happenings in the battle so that they appear to us to be very slow motion.

That which is impossible with man is possible with God. The supernatural works of Christ will become natural to us as we move only by what we see or hear the Father doing or saying.

13 – “The Lord Says He Is About to Shock the World”

www.charismamag.com/blogs/prophetic-insight/46651-prophetic-word-the-lord-says-he-is-about-to-shock-the-world

14 – 2 Peter 2:12-19; Matthew 10:34-39

15 – Isaiah 26:3

In the time of the desperation of tribulation, the supernatural intervention of Spirit God will protect and provide for the people of God. The miracle working power and supernatural Heavenly wisdom will enable the army of blessed children of God to reclaim the world for the Kingdom of God.”¹⁶
