

The World is Valueless Compared to the Internal Kingdom

Our King is leading us into an era of the Kingdom where he's wanting to display his glory through us. This has always been what he wanted because Adam was created to exhibit it. The glory was lost with The Fall, but it was returned to humanity when Jesus the man brought the Kingdom of Heaven back to Earth where it originally was.

Jesus displayed his glory on Mt Hermon.¹ This was the glory of his spirit as The Son and the glory of Holy Spirit, as well as the glory of his human perfection. We will display these glories ourselves (except it will be the glory of our spirit).

We won't be able to display this glory unless we first believe that it's heaven's plan to do it. Nothing will happen to any of us without our consent.

This glory is within us and must be released by the Spirit as we allow ourselves to live the King's life from his presence within us – i.e. from the Internal Kingdom. Intimacy with him and eventually oneness will be the pathway to displaying this glory That's because it won't be us doing it, it'll be him doing it because we are living his life (Father's life) in the full.

BTW: This will be here on Earth, not when we get to Heaven, and it will happen before the King's return.

The exact time when this will begin to happen is held within Father's plan from his people. Our task at the moment is to allow ourselves to be drawn into the life of the King in the Internal Kingdom and allow the manifestation of the glory to happen when the time is right.

And, the glory that will be manifested on the face of the Earth will be everywhere as the Restoration of All Things allows the cosmos to regain its glory for all to see.

Here's an invitation from the Trinity to join them in this process:

“Soon, heavenly realities will be made clear. All that is around you will become nothing more than trinkets compared to the glory within you. My endless grace has opened a fountain within, pouring satisfying streams into your thoughts, your emotions, your very soul. This grace-fountain will be the source of life—heavenly life—within you. Love, joy, and peace are signs of my presence in your soul—a presence that is alive and real. Pay attention, beloved. My glory is everywhere”²

At that time, we will realise that the life the world system offers us is of little value at all. What an 'eye-opener' it will be.
