

Learning to Operate as a Son Should Function

[Report #11]

Deeper Into Oneness

I've been waiting for some weeks now for the next major step in my Kingdom training because I was expecting something new and big. It came after listening to a video interview and was followed by a second video of teaching. It wasn't just the content of these, but rather what the Spirit showed me from them.

The initial one was the use of the expression "we" when referring to Jesus and me. This brought home the fact that I wasn't seeing myself in union with him, just that he was inside me. I have been living from his life (the Internal Kingdom) for quite some time, but this brought a change in my attitude.

The second was a teaching on bliss. This was something I'd been experiencing,¹ but it put a name to what was going on in me. I'd begun by drinking of the Living Water² and it developed from there into drawing life from him. This is what our King has always wanted, but I'd encountered it through his training rather than the theological idea of "Christ in us".

These have moved me on in my desire to go deeper in oneness with the Trinity. That's not easy for an older man to do because it requires circumventing masculine restrictions on deep relationship.

Interestingly, it has given me more of his love for others.

Anyway, I'm slowly getting to where I need to be. It's a long journey, but the rewards are terrific.
