

# The Kingdom Ways of Handling Problems

Somehow we continue with the old method of praying when we have problems that are concerning us. These are usually efforts to twist God's arm to make him take those away. We need to move into a position of sonship and deal with them as we're meant to.

There are a number of ways of dealing with problems as sons:

1. **Declare and decree their resolution** – Find out from Holy Spirit what you are to speak and speak it out of faith.<sup>1</sup>
2. **Rest** – Not all problems are to be solved by us or for us when they happen. Many are processes we have to go through for our growth and development and for the exposure of darkness in us. In all cases, we approach problems from a state of rest and discern what we need to do. Sometime it's doing nothing.
3. **Live out of the Internal Kingdom** – Part of resting is relying on King Jesus to meet all your needs. Waiting until he shows us what to do is wise. Waiting (with our 'hands off' and our heart at rest) will allow him to do what he needs to do and it will be resolved in good time.
4. **Deal with what you need to deal with** – Many of the problems have been caused by our actions and speech, so we need to guard ourselves from problems by guarding what we say and by doing things out of heavenly wisdom. When we have created a problem, we need to take responsibility for it and fix it, provided we know how. When we don't know how or are unable to resolve a problem, we commit it to him and ask him to handle it.
5. **Clean yourself up**<sup>2</sup> – Many, many problems come from the fact that we operate out of our mind and soul rather than our spirit. This activity is mostly driven by our mindsets, worldviews, emotional pain and hurt. All these need to be brought into alignment with the Kingdom or eliminated. We can't keep asking for help to solve problems when we don't deal with the root causes – that's our responsibility.
6. **Use the courts of Heaven**<sup>3</sup> – That's where decisions are made for people's lives, nations, humanity and the planet. We can learn to operate in those courts as sons and have solutions to problems adjudicated there.
7. **Ask for answers** – The simplest way sons have problems solved is to rely on the partnership we have with our King. He's our oversight in our training as sons, so he's the one we can ask for solutions. He's always wanting to speak to us about these.

With regard to the last point, here is our King's guidance on that:

*“Allow Me to lead you in the way of solving difficult problems. I will give you the wisdom and direction you need for this specific time if you ask. You are facing issues that you have never had to deal with in the past, but I am not surprised or confused. I will show you the way to overcome and gain the victory.”*<sup>4</sup>
