

Wholeness Includes Listening to Yourself

Did you know your soul and your body are not evil, because he made them for you?

Did you know that Father is interested in every part of your being, not just your spirit?

Do you realise that, as a son, you're responsible to be in control of all parts of your being?

Do you realise Father is interested in you being whole in every area of your being?

Here's his message to you to help you understand all that:

*"Deliberately align yourself with Me. Make sure that you yield your body to My perfection. Reset so that your thoughts, emotions and will are in perfect union with Me. And bring your spirit into absolute unity with My Spirit. **Only then can you function as one with Me and reap the rewards of this advantage.**"¹*

Did you know he wants you to monitor your whole being by listening to it so you can become whole in every area? This is part of your autonomy as a son.

Here's his message to you to help you understand that:

"Every part of you matters. Every aspect of your life is important. I don't want you to sweep things that affect you in any way under the rug.

***Listen to what you need** in the deepest part of your being. If you need rest, then rest. If you need fun, friendship, or adventure, then go enjoy yourself. If you need healing in your spirit, come to me. If you need a healthy body, ask me what changes you can make. If you need to learn to set boundaries and find confidence, I can help you with that too. Wholeness and peace start with me. It's a journey of discovering me inside of you and then processing your emotions, needs, and desires with me. I want you to be so healthy in every part of your being that each day becomes something to look forward to."*²

There really is so much we need to be reprogrammed in so we live in the Kingdom his way, not religiously. There's so much freedom and liberty in the Kingdom, we lose it when we don't allow him to show us what all these freedoms are.

Laurence
