

A Time of Strong Personal Change

My son, this is important - very important for you. Now, listen carefully - very carefully. You are not to treat XXXXXX' disdainfully or in any way disrespectfully...Hear him; hear his heart. Learn from him. He has much to teach you. Don't close off totally. Allow him to impact you for your good.

He has a word for you from me that you must have and must receive. It's an important message that I've been trying to get through to you gently, but you haven't heard. Hear him. Give yourself to him for my sake, despite your differences. Be in unity with him wherever possible, in those areas where you have commonality.

This is a time of change, as you have noticed. It's strong, this change. It's pulling at you, as major changes have to be made inside you - in the way you respond and react, and also your attitudes. I'm raising you up - don't forget that - and I need you to be prepared to be the person (man) I want you to be.

Going overseas is 'on the cards'. (Not a good expression, but you know what I mean.) So, be prepared to travel. Travel is what you'll be doing more of in the future as I'm opening doors in that area of your ministry. I say 'ministry' because everything you do is ministering to me. When you are obedient and we work together, this is ministry. Working in the world is ministry at a high level as I want the world for myself. I am reclaiming what was lost - what has been taken - and you're part of my team who is doing that.

Relax. Rest in me. Don't get up-tight. It'll all work out - you'll see. You'll see great things and do great things - as I've told you. Yes, great and mighty things you haven't even thought of. So trust me today. Trust me in all things and ALL WILL BE WELL.

Love you.
