

# Conspiracy Theories are a Distraction

WARNING! Conspiracy theories are a distraction from our focus on the King, The Kingdom and the King's plans.

Even if there is some truth in conspiracies, they can be a huge distraction.

Even if a conspiracy theory is totally true it is a distraction from the King's business. We're only to involve ourselves in what we're told by the Spirit is our kingdom business (e.g. our assignments). Everything else we leave in our King's hands to work on.

We have to learn to 'butt out'.

It takes efforts to keep "the main thing, the main thing". We tend to lean towards ideas which are exciting, dangerous, impacting, etc., because we are inquisitive and want to know about what we don't know.

Conspiracies can become all-consuming because you focus your thoughts on them. My advice, from previous experience, is to keep focused on the King and what he's doing with you.

Allow him to take away your interest and allow him to show you whatever it is you need to know about the truth in the conspiracy.

You need to take a strong grip on your sonship and Kingdom life and handle other things very lightly.

Your continuation on the journey of maturity depends on where your focus is. Here's our King's instruction to do just that:

*"Be determined to stay awake spiritually because the forces of darkness will try to get you off course through complacency. Get focused, stay focused and refuse to be sidetracked by things of the world. You are My priority and I want to be your first priority, but you get to choose."*<sup>1</sup>
