

The Manifestation of Sons

(Conversational prophetic message recorded on the 30th November 2020)

Question: *Father, you reminded us recently that you told us that this was the time that you would be manifesting your sons. What is it that you want us to know about this, so we can align with you?*

Message

“This is a great time. I’m really excited about this. I’ve been waiting for such a long time to release my sons into their full potential. All heaven is excited. Things are moving, and moving in the direction that we have planned. There’s been enough impetus worldwide in my children to allow me to be able to release sons¹ to manifest who they really are. It has taken a long time – it’s been a process. This process was needed to bring about change, to overcome the restrictions that were preventing me from manifesting my sons. It has always been my plan to bring about The Restoration of All Things, to take my creation back to where it was before The Fall. It’s always been my plan. This plan is in ‘full gear’ at the moment. And part of that plan requires that my sons rise up and operate as I intended them to operate, to live their lives focused on my plans, being about my business, and, operating as I show them, where I show them and how I show them.

This is a time of alignment between Heaven and Earth because my sons are aligning with me. That means I can release what I need to release, to bring about their manifestation in power and authority, to see change on the face of the Earth. To be part of the process of bringing about The Restoration of All Things, in the geosphere, biosphere, hydrosphere and atmosphere, and, the entire cosmos, this is not a simple task. It requires a lot of co-ordination from my sons to align with me, because without their alignment I cannot achieve everything I want to achieve in the period of time that I have planned.

Defiance from my children has held me up in the past, for such a long time. This is why I’ve been continually reminding you to align with my mind, with my heart and with my purposes, so we can act in unison, and Heaven can be released on the Earth to make the changes that are necessary.

This is truly a great time in history, and you are privileged to be alive at this time. It’s important that you focus now on what I want to do in Australia, in your cities, in your streets and in your families. I work through you, through my sons, because this is the way I created you. I gave you this authority, and that authority is now restored to you, now that you are in my family again.

Operate for me. Operate with me. Function as I show you, and you will see great changes taking place. But remember, it is important that you keep in alignment with me, you keep pace with me. Don’t race ahead and try to do things that you think I might want done. That’s what religion is. Stay in alignment with me – walk alongside me, partner with me. Allow me to orchestrate what I need to orchestrate, and you do what you need to do, as I show you. Keep connected with me because my presence within your person, in your body, will strengthen you and feed you, and provide the wear-with-all to do what you need to do from now on.

‘Grit your teeth’ because the enemy will not like what you will be doing for me. Be on your guard. Stand in your positional authority as planet managers and vice-regents for me. Stay calm. Rest in me and relax in what I do. Everything will be accomplished out of alignment, out of peace and out of rest, because that’s how the Kingdom functions.”

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia. Since 2017 CCOP has been expanded to function as a network of prophetic voices.
