

# More on this Current Time in the Kingdom

(November 2020)

Following on from the prophetic insight I was given concerning the current season we are in,<sup>1</sup> a time when Forerunners are leading the vanguard for the restoration of all things, this is an update. More information is being received to cement this time in our understanding and to equip us with the knowledge we need to move forward without deviation. There will be glory rising alongside the rise of darkness, so we must focus on where we are going and make sure we are aligning with Heaven every step of the way. Read on!

## KINGDOM MESSAGES

### Marsha Burns

(★prophetic downloads recorded in November 2020)

*“I speak to those who have not progressed spiritually and have gotten stuck. I tell you the truth that there is more for you, a higher level of anointing and understanding. But you must reach beyond your current position and with a sense of purpose rise up to achieve that level. You have not arrived. Push forward to realize what is available to you.”<sup>2</sup>*

### Bill Burns

(★prophetic downloads recorded in October-November 2020)

*“Many of you don't understand the time and the season that you are living in. Many of you don't understand that you are living in a time when I will bring your destiny to a fullness and perfection as I lead you and guide you into all that I have for you. So, get ready to move with Me. Get ready for this next leg of the journey to reveal to you the glorious things that I have for you in this season. Keep your eyes open. Keep your ears open. Go with expectation of meeting Me and finding Me in a brand new spiritual way, an unusual way, a way that you have not yet experienced, says the Lord.”<sup>3</sup>*

## **Brian Simmons**

(★ extract from a prophetic download released on 3-11-2020)

*“Never underestimate the power of your surrendered life. Many will tell you to stay where you are, to stay in the safety of what you’ve known, to fear stepping out of the boat to walk on the water. Keep your eyes on me and step out in faith. I’ve got you. Your story will ignite passionate faith in the hearts of others. Come closer, and I will immerse you in the realm of my glory until all that is seen in you is my splendor. Your life of passionate pursuit sets you apart from those who have settled for less. Thank you, beloved, for never settling for less than my best.”<sup>4</sup>*

## **Keith Todd**

(★ prophetic download released on 27-10-2020)

*“I feel the Lord saying it's time for revival...A Revival of My agape love.*

*As I was walking this morning my heart began to leap, I felt the Lord say its time.....*

*We have had a revival of grace.*

*We have had a revival of power.*

*There is a wind of revival coming.*

*It's a revival the like of which has never been seen before.*

*No blueprint or road map for this.*

*It's coming to this nation.*

*To the Great Southland of the Holy Spirit.*

*It will flow through this land and out to the nations...*

*A sweeping wind of Papa's extravagant Agape love.*

*This revival of love can only be sustained in a family.*

*Not by a program or process but through the family of God coming alive.*

*One family in total unity.*

*The enemy has had his day, pitting brother against brother, sister against sister.*

*Competition and disunity in the church and a rising of the orphan spirit.*

*I hear Papa saying, “Enough!!!! My Love is the way forward. The revelation that on this Rock (The revelation of the father-son relationship) I will build MY Church.*

*I created sons and daughters not orphans.*

*The world is waiting for my children to arise in My Love and this will sweep the globe.”*

*(‘The world is waiting on tippitoes for the children of God to rise up’ (Romans 8:19 TPT) ”<sup>5</sup>*

## **CCOP**

(★ extract from a prophetic download released on 26-10-2020 & 17-11-2020)

*“Know who you are in Me, and that you are mandated by Me to reign on earth as righteous priests, kings, and legislators. You will face opposition, challenges, and even discouragement, as you pursue living as Kingdom people. Do not allow timidity, doubt, distrust, or a religious mindset to disqualify you. Allow nothing to hold you back and stop you from speaking out what I put in your heart. Walk in my resurrection power in situations that seem hopeless or dead. From the abundance of your heart, your mouth speaks, and you will see the fruit of your mouth. In speaking life, you will harvest the fruit of life. In speaking death, you will reap death. Nothing new about it!”<sup>6</sup>*

6 – “2020’s Directives From Our King” [canberraforerunners.org/wp-content/uploads/2020/10/MESSAGE-2020s-Directives.pdf](http://canberraforerunners.org/wp-content/uploads/2020/10/MESSAGE-2020s-Directives.pdf)

*“Our desire is for you to experience us in our fullness, and our desire is to experience each of you in your fullness. This is part of our intimacy together. This is part of our oneness. Like young lovers who get ‘lost’ in each other, we desire you and us to be ‘lost’ in each other, in a manner of speaking. To desire to be in our presence and to enjoy us is the pinnacle of what we desire for you. It’s not about doing things, it’s about being.*

*Yes, it is about being sons and being about our business, and seeing the Kingdom expand, and seeing you taking your rightful place in the cosmos. But, at the personal level, we created you to be part of our family, and in a perfect family, everybody loves being together. They can’t wait to get together when they’re apart, and they draw life and love from each other, and they give life and love to each other. Truly, the family unit as it’s supposed to be, is a wonderful, edifying institution.*

*The cares of life and the desire to religiously serve us, have destroyed your desire for oneness with us. We desire to see the tables turned on that so you just want to be with us and enjoy us. We desire for you to be in our presence, not just on a Sunday morning and sometimes during the week in the morning, but all the time. This is where we would like to draw you, so that you operate out of that place of our presence, out of oneness with us. That’s putting things in the right order – being in oneness with us and then ‘doing’ out of that oneness, and not the reverse, as is the usual case.*

*I can’t begin to tell you the benefits that you will receive when you can be in our presence more often than just every so often. And it’s not just an abandon thing where you can’t concentrate on life. There are times when this is beneficial for you to be at a place of abandonment and just focusing on us, and us enjoying each other. But you can be in our presence all day long, and still function. In fact, you will function better because we will be able to stimulate your brain and your heart and your spirit to do the things that are essential. You will be able to tap more into the wisdom, knowledge and understanding that we have for you.*

*It’s a scary thing to do, to abandon yourselves to us, but this is functioning at a higher level than being a “living sacrifice”, which is what you are taught. To be totally devoted to us and giving yourself to us is really what we desire. In the same way that young lovers give themselves to each other – and it’s done in love – there’s so much joy and love, that it’s an easy thing to do. In fact, it’s beneficial to do. So, when you give yourselves to us in that sort of abandonment, there’s so much love, so much joy, so much peace and contentment and well-being that you will experience, that you will want to be there all the time. And it’s our desire that you do so.*

*That’s the higher way to be a “living sacrifice”, because out of your love and your experience of being with us, your self-centredness will disappear and you will be ours completely. You won’t have to force anything: you won’t have to force yourself to surrender; you won’t have to force yourself to give up this, that and the other; and you won’t have to stop doing things. Like young lovers who are truly committed and want to bless each other and show love to each other, it will be easy for you to do.*

*So, yes, being in our presence and enjoying us is a highly-prized thing to do. Don’t neglect it.*

*In that place, you can draw life from us. We will pour our life and our energy into you, and you will be revitalized every day, all day. You will have energy that you never knew you had to do things.*

*There is an expression, “Love gives you wings”. Our love, more than the love of a person, can help you ‘fly’ – to experience blissfulness, to experience life with a light heart.*

*As we look after you, all your cares and needs are taken care of. All your love needs are met by us. You will never grow hungry for love. You will never go without love because our love is perfect. It’s not a ‘head knowledge’ thing, it’s a reality, and you can experience it in the here-&-now, right now, every day.*

*So set your heart and mind to receive our love by being in our presence and enjoying us, and allowing us to enjoy you.*

*It’s free for everyone – absolutely everyone and anyone.”<sup>7</sup>*

## **Mike Parsons**

(★extract from a prophetic article published on 20-11-2020)

*“All of us are seated in heavenly places in Christ,<sup>8</sup> but few are actively functioning from that position. We are called to a new level of sonship, to access the assemblies and councils of heaven and take up our governmental roles. We can be involved in the decision-making of heavenly government. No-one ever told me that! I thought that God did all the heavenly part and that He would tell me what He wanted me to do on earth. But then He invited me into heaven and I discovered that I had a part to play in establishing things there as well as in outworking them on the earth. We get to be involved in the ‘as it is in heaven’; the more we get involved, the more authority we receive and the more responsibility we carry. The mantles are prepared and the scrolls are ready: all that is needed is for us to accept responsibility as sons and be willing to pursue maturity.*

*Sometimes we need the old ways to stop working before we will even begin considering the new ones. At that point it can seem like nothing is working while we learn how to operate in the new. If that is you, you are not alone. Right now, we are all learning that. We are all in a transition period between what we have been used to, an old way of doing things, and the new way God is revealing.”<sup>9</sup>*

## **Ron McGatlin**

(★Extract from a prophetic article published on 6-11-2020)

*“Suffice to say that everything that has gone before has been a part of the tensions and synergies of God and mankind moving toward an ultimate goal that is coming into more clear focus in this season.*

*Further, let us understand that all that mankind has known and experienced through all of the seasons since the Garden of Eden, including the church age, was not the fullness of God’s design for Planet Earth and mankind.*

*The best and highest efforts of mankind with all of our religions, philosophies, mandates, governments, scientific genius, terrestrial and celestial studies, and research of all kinds have all failed to accomplish our quest for the fullness of life on earth.*

*Mankind worldwide is at this time in a desperate condition of separation and division caused by a multiplicity of different views, understandings, beliefs, evaluations, values, methods, ways, and styles of life in this world. The vast differences feed into the prejudices, desires, drives, and motivations of life’s activities among the people of the world.*

*So, what is different about today, about this season, and specifically this decade?*

*The delicious “nut” inside the “nut shell” of this season is the “perfect pearl.” Or said another way, it is the revelation of the manifesting of Christ Jesus on earth as Head of His Body.*

*It involves the scales coming of the spiritual eyes of the people of God. It is blind eyes and deaf ears being opened to see and hear in the Spirit realm. It is the coverings being removed from the greater and deeper truth of the written word and the true gospel of the kingdom of God being revealed...*

*It is the actual manifest reality of the LIFE of Christ Jesus, Lord and King, flowing into and through the hearts and lives of the people of God to change the world.*

*The LIFE of God in Christ is the LIGHT and LOVE of God flowing tangibly and forcefully into and through the people of God now on earth.*

*The kingdom of God is the LIGHT and LOVE of God in His people flowing into the world, changing the world into the kingdom of God on earth as it is in heaven...*

*There is no fear of darkness or evil of any kind in the light and love of God in man. We no longer need to hide from darkness and evil. There is no need to withdraw and hide ourselves in our buildings with stained glass windows. No longer a need to wait till a prayer meeting to pray. Communion with God is constant. His life is always one with us and in us.*

---

8 – Ephesians 2:6

9 – xx

*Christ in us is free to fully enter into all arenas of the world carrying His life of the all-powerful love and light of God into every aspect of life in the world. The glory power of light and love of God within us overpowers the darkness and changes the world around us. We are the light of the world when Christ is shining through us.*

*There is no longer secular and holy; all aspects of life are to be made holy by the light and love of God in His people. Evil darkness must flee and relinquish its territory back to the rightful owner and King of all, Christ Jesus ruling and reigning in His Body becomes His Bride on earth.”<sup>10</sup>*

## **OPPOSITIONAL ADVICE**

### **Marsha Burns**

(★prophetic downloads recorded in November 2020)

*“In a vision I saw a series of bridges – one over a deep canyon, several over rivers, and one that was a covered bridge. I heard the Lord say that we, His people, are still in the middle of transition, and we are in [the] process of getting to a place of safety in our journey. He is our covering and our very present help in times of trouble, and all we can do is just keep moving forward. He is with us!”<sup>11</sup>*

### **Katie Barker**

(★prophetic download published on 26-11-2020)

*“Watch Me make a way where there appears to be no way. Will you put your trust in Me? Now is the time to rise up in faith for the battle is Mine. There is a mighty battle taking place over the unfolding destiny of the U.S.A, but My people will see that the battle is Mine, for I am coming to overturn injustices and to bring justice...*

*I am coming to expose the darkness and to uproot what is evil. What the enemy meant for harm I will turn for good. As the enemy's plans and schemes are exposed, that will be the very catalyst that propels My plans and purposes. Just as in the time of Esther, where Haman was hung on his own gallows, the plans of the enemy will be exposed and will be the very thing that causes the demise of the enemy's plans and a rise of My plans and purposes...*

*I am not a man that I should lie. Speak forth with boldness the turnaround that is coming. Posture your hearts in faith and thanksgiving, knowing I am faithful to bring to pass all I have spoken. Decree the overturning of the evil agenda and the breaking forth of My plans. Now is not the time to step back or to doubt, but to stand firm in faith, standing on the promises I have given. My Word does not return void but accomplishes all it is sent forth to fulfill. Align your words with Mine and speak forth My Word.*

*Many are confused by what they appear to see unfolding in the natural and are beginning to doubt what I have spoken, but now is the time to look only to Me, to hear only My words and to stand in faith for the fulfillment of all I have spoken. Every step is in My hands. Much is occurring behind the scenes, and I am orchestrating the path ahead. The spiritual battle continues to rage, but as My people partner with Me, they will see victory is Mine. Stand in My strength and the power of My Spirit. Do not be dismayed but know that I change the times and seasons, and I remove and establish kings...*

*My ways are higher, and the unmasking of the plans of the enemy will lead the nation to a place of greater freedom than would have occurred had this path not been taken. The unmasking will lead to an uprooting of evil that would otherwise have remained hidden. Surely, I work all things for good.*

*As the plots and schemes of the enemy are uncovered, this will launch the nation into a position of greater alignment and restart the nation from a more solid foundation of truth and righteousness. This platform will*

*be established on the back of My divine intervention and justice for I am coming swiftly and My justice will be seen. My faithful ones, now is not the time to grow weary, for the day of harvest for all that has been sown in prayer and intercession is coming....*

*The outcome of this election has worldwide significance and impact, so the spiritual battle surrounding it is great. But this is the hour of the overturning for I have heard the prayers of My people, and I am coming to show Myself strong on their behalf. A course correction will be seen in the nation following My intervention. The day of deliverance is coming, for I will overthrow and overturn the plans of the enemy and relaunch the nation into the greater destiny I have planned for it.*

*Stand firm in faith, knowing He is faithful. Continue to partner with the Lord in prayer and intercession to see the plans of the enemy exposed and His plans established. He is the way maker, and He is coming to overturn injustice and to bring a course correction to the nation. All He has spoken regarding the election will come to pass. ”<sup>12</sup>*
