

# The World of Darkness is Being Dissolved

It's critical that we keep abreast of what our King is doing on the Earth at the present. We won't be able to support him unless we agree with him and align our hearts, minds and lives with his plans. Our function is always to be in agreement with him so we add our spiritual 'weight' to empower his plans to take place.

There are 2 main Kingdom programs in place at the present time. These are:

- The Restoration of All Things<sup>1</sup>
- The Manifestation of the Sons of God<sup>2</sup>

Although these are only in the embryonic stage, the current conflict in societies around the world right now is an outworking of these because the enemy is trying to prevent these two programs from happening.

To understand this battle, we need to know that there are 2 systems operating on Earth right now – the World System and the Kingdom of Heaven. These are made up of people who are mentally, intellectually and spiritually different. These systems have existed side-by-side, at one level or another, since the beginning of the New Covenant. However, they are mutually exclusive and therefore cannot exist in the same person. The majority of the people of the Earth belong to the World System, run by the enemy of God, even though they may belong to the church system and may call themselves Christians.

The two current Kingdom programs listed above are expanding in their influence right now, so, as citizens of the Kingdom, we need to ensure we are working with them. It is imperative that we keep listening with our spirit to what Holy Spirit is communicating to us about these so we are up-to-date with where they are.

Here's what Ron McGatlin is receiving:<sup>3</sup>

*“In recent decades a people of the brightness of the reality of the kingdom of God are coming forth on earth. God is restoring the glory of His all-consuming love upon a people of His kingdom by the fullness of the Holy Spirit. The separation of the increasingly brighter life of the kingdom of God invading the people of God, is spreading out to drive the darkness from the territory that the darkness had usurped.*

*The Christian church systems that tolerate mixture of darkness are now joined with the world of darkness. This is not about changing the systems to condemn darkness. It is about receiving the greater light of the fullness of the Holy Spirit forming Christ in us to bring forth the real kingdom of God on earth as it is in heaven. It is about the love of God ruling the hearts and lives of the people.*

*Those who are becoming of the fresh light of God's love and power of Christ in us by the Holy Spirit can no longer rest in the church systems that have now become a part of the world of darkness.*

*Without the fullness of the Holy Spirit, it is impossible to have the full love and works of the Spirit of Christ abiding in us. Literally, without the work of the Holy Spirit, the darkness can blind our eyes to the truth and the glory of Christ in His people bringing forth His kingdom.*

*Therefore, the only answer is that the two worlds, LIGHT and DARKNESS, become one world. The root of all divisions on Planet Earth are caused by the two worlds in conflict. The conflict is about which will rule in the hearts of human beings and thereby rule on earth. There must become only one world to dissolve the issues of division...*

*The great divide happening in our day is the battle for the rule of the earth. The world of darkness is projecting a one world government without God. The government that hates God and His people is*

*tyrannical and brings bondage upon the world. Though the world of darkness promises peace and good will for mankind, it is a lie of entrapment.*

*The world of darkness is to be dissolved, and the true kingdom of heaven's rule is to come forth on earth in this season. We are witnessing the end of the world of darkness and the beginning of the light of the kingdom of God on earth as it is in heaven. It is the rule of Christ Jesus by the Holy Spirit ruling on earth that truly brings peace on earth and good will toward man."*

I will provide more on these programs as information is received. Keep "watching this space".

Laurence
