

Live Loved. Love Living. Live Loving. Rest.

Mike Parsons keeps being told by Father to, “Live loved. Love living. Live loving. Rest.”¹ These are the same instructions he’s given to others, including myself. The only difference is the expression Father has used in putting the points together.

We should all take a step in faith and do the same as Father’s instructed Mike – IT MUST BE VERY IMPORTANT.

Father expanded on this expression with the following information:

“[E]nter rest and focus living in love, joy and peace. Develop this state in every circumstance and situation by practising how to live loved, no matter what appears to be going on around you. Practise how to live loving, and look for things to be thankful for...”

Seek first kingdom opportunities to be fruitful and increase, by subduing and ruling over the circumstances in every situation by administering peace from peace. Live with a positive ‘can do’ attitude and an expectancy that sees the potential in every circumstance and situation. Practise living loving by choosing to forgive and release in every situation and circumstance; and love will win and overcome. Learn to choose the reality that best aligns with My heart in every situation and circumstance and let nothing else be a possibility to distract you from rest. Do not major on the minor things of life that have no eternal consequence; always be looking from the perspective that is above. Do not let circumstances deflect you from living in rest. Some things that can affect you emotionally have no eternal, heavenly importance. Rest is living from Heaven on the Earth and manifesting Heaven on the Earth in every situation and circumstance...

Choose to trust Me by seeking first My kingdom. Rest is not the absence of storms, troubles and trials but trusting Me in them and overcoming the fear through perfect love. Love is your shield and helmet of defence and your sword of offense. As perfect love casts out all fear, then there is no need to be anxious or worry. Never live in the absence of something, as in a vacuum, but be filled with love, joy and peace and there will be no room for anything else.

*I am always more than enough, abundant and overflowing...”*²

**There is much more to learn from what Father has told Mike.
