

# Message for Australia

(Conversational prophetic message recorded on the 8<sup>th</sup> January 2021)

**Question:** *Father, what's your message to Australia this month?*

## Message

“This month is a month of easing into the year ahead. Take time to rest and prepare yourself for the things that are coming. Every person will have events in their future. Some of these will be positive and some will be negative. These have to be prepared for. You can't go through life drifting, allowing circumstances to toss you back and forth. As sons, your responsibility is to be in control of yourself and your circumstances. The main part of that control of circumstances is your alignment with us, your alignment with our plans and allowing us to guide you through every moment of every day.

As sons, you can't be derelict in your duty to be responsible for yourselves. Even those who are overseen by supervisors need to still have a level of control of their lives. Now remember, this control is not what the world calls “control”, and it's not something you do out of fear. It's about manifesting yourself as the son you were created to be: Taking responsibility for everything you are responsible for, and planning your days with us and your future with us, so that the control is not in the hands of others, where it shouldn't be.

Submit to authority. Honour those who have authority over you. My Kingdom works with authority and to operate properly in authority you have to acknowledge those who have the authority. Honour them and submit to the authority that they have over you in every circumstance, both spiritually and in the world where you live. Honour is extremely important in the Kingdom. It is vitally important, just as humility is. You see, the Kingdom doesn't operate the way the world system does. That's why I had to explain what ‘control’ was – it's more about being in charge than dominating. That's the Kingdom perspective, and in the same way, honour and humility need to be understood and appropriated so that you operate properly as sons.

Guard yourselves against what comes against you – what is spoken against you and the accusations that are brought against you. As sons, you are responsible for everything you say and do. That's why you are to check yourself before you do either of those. You can guard yourself against adverse effects by doing that. The enemy is always looking to destroy you and your work, and he'll use the mistakes you make to do that. This is why it's important to walk circumspectly and soberly<sup>1</sup> through your life.

A son doesn't operate emotionally or without thinking, because that provides a doorway for the enemy to bring disaster and trouble. As you move through this year, start thinking more about guarding yourself by being careful in what you say, what you do and where you go. That is part of your responsibility as sons. Being careful shuts down the work of the enemy against you and that's a critical tool in your arsenal in the spiritual war that you're in.

That brings me to the other important point, to realise that, as sons, you're part of the army of Heaven that's operating on the surface of the Earth to bring about the expansion of my Kingdom and the restoration of all things. I don't have a ‘plan B’. I'm moving forward with my plans and that requires spiritual warfare because, as the Kingdom moves forward and as you move forward in your area and in your component of the Kingdom, the spiritual war is the enemy's troops pressing against you to prevent the advancement. Being a liar and deceiver, you can expect to be deviated and tricked by him, rather than to receive frontal attacks all the time. Be careful of what others say. Be careful of what ‘pops’ into your mind. Check everything with your spirit – that's what sons do.

Last year was not an easy year, and the times ahead will not be easy either. The difficulties will come from different directions and the components of different systems. So, ‘keep your eyes open’. Be circumspect, as I said. Think, evaluate, assess. Make good decisions. Above all, align with us and continue to listen to our communication to you, because we're family and we're a ‘tight’ family. We are a protective family, but protection requires being sensible.

Enjoy life. Enjoy us.

<sup>1</sup> – In full control of yourself and your faculties

Reject fear.

Reject depression and focus on what we're doing together.”

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia. Since 2017 CCOP has been expanded to function as a network of prophetic voices.
