

Spiritual Hearing is More Important

(Conversational prophetic message recorded on the 6th January 2021)

Question: *Lord, what's more important, hearing from you personally on a daily basis, or reading what you said and what you wrote in the past?*

Message

“This is a plain question with a very simple answer. I prefer that my people hear from me on a constant basis. Not intermittently, not every-so-often, but constantly.

Life in the Kingdom is about communicating with us 24/7. We never stop listening, and we’re always wanting to communicate¹. The problem is at humanity’s end. This not the way it should be.

Our desire is for a living relationship. You cannot have a relationship with another person that’s deep and meaningful without communicating with them. You can’t have a relationship by reading about a person. You must talk with them. You must listen to them. You must gain an understanding of their heart. You must love their presence. You must like being with them and wanting to get to know them. Remember that our relationship with humanity was always a spiritual marriage, of sorts. I say “of sorts” because it’s not a genuine marriage, but it’s an intimate connection between us where we’re bonded together in love and romance, and mind and heart.

So this is not a simple thing. It’s not something that can be read about or absorbed from past things that a person has said. It has to be real. A marriage cannot last when people don’t talk to each other, don’t interact, don’t relate. This has been the problem for us with our people, for centuries. Very few have entered into this ‘marriage’ relationship. Very few have really experienced us, and reciprocally², we have rarely experienced our people. For many, they are ours in name only. They are orphans. They are without our family, and it’s their choice. Of course, I lay the fault at the feet of the teachers³.

At this time in history, in this new era of the Kingdom, we are raising up The Bride – our people who are in a passionate relationship with us. This is our desire: To relate intimately with every single person who is in our family. Now, the teaching of The Bride has been hijacked so that it’s not what we want it to be. It’s not been taught and received from our blueprint, from our plans, from our perspective. It’s important that the Bridal paradigm be taught as it is supposed to be, and that’s a spiritual marriage between us and every individual person. A relationship of oneness, of intimacy, of abandoned love. We are ready to give in relationship and we are calling all our people to join in relationship with us. But, unless it’s taught correctly it will not be achieved at this point in time. There are many who are part of our Bride and we’re relying on these to spread the message, to be our mouthpiece to teach others how we desire to relate in intimacy and oneness.

Truly, you are missing out, my people, on huge benefits (emotionally, mentally and spiritually) because you don’t communicate with us constantly, and you haven’t entered into a spiritual marriage with us. I know ‘marriage’ scares many and I know that many men are ‘put off’ by intimacy and oneness. But, if you shake off your societal problems and issues, and ‘get real’ about being connected with us spirit-to-Spirit, you’ll be able to step out and embrace us so we can meet all your emotional needs. You’ll feel complete, or to use another term, ‘replete’ – you’ll be totally satisfied by us. You won’t need to look elsewhere to get satisfaction because something is missing in your life. We’ll supply all your needs.

But to get to that point, you need to relate to us at the right level, which is communicating with us spirit-to-Spirit, constantly. This is the most important thing for us.

You cannot align with us. You cannot move into your destiny and into our plans for yourself and this planet, unless you are hearing from us. This is the way we set up our relationship with humanity. This is the way you need to change to align with us, to fit in with the way we set things up. It’s very simple: Heart-to-heart communication with us, spirit-to-Spirit. Heart-to-heart relationship with us via your spirit is the beginning

1 – Communication is a 2-way process

2 – “1. Done, given, felt, or owed in return. 2. Existing, experienced, or done on both sides:” www.thefreedictionary.com/reciprocally

3 – That’s Bible teachers and those who teach or preach in church groups.

of connecting with us spiritually. If you release yourself to us we'll take you into the point of being one with us. We'll transform you.

So, there you have it. Our desire is personal relationship. Connecting, talking, getting to know each other, heart-to-heart communication. I leave it with you to explore because there are many benefits. You'll see."

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have

committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia. Since 2017 CCOP has been expanded to function as a network of prophetic voices.
