

# More on this Current Time in the Kingdom

(December 2020)

Following on from the prophetic insight I was given concerning the current season we are in,<sup>1</sup> a time when Forerunners are leading the vanguard for the restoration of all things, this is an update. More information is being received to cement this time in our understanding and to equip us with the knowledge we need to move forward without deviation. There will be glory rising alongside the rise of darkness, so we must focus on where we are going and make sure we are aligning with Heaven every step of the way. Read on!

## KINGDOM MESSAGES

### **Marsha Burns**

(★prophetic downloads recorded in December 2020)

*“Transition has taken longer than you thought it would, and it still is not over. Patience is required for this leg of your journey, but you must not lose hope and faith in Me to give direction and wisdom for the season. Take each moment as it comes and make the most of it.”<sup>2</sup>*

*“Hold all things loosely, and put your future in My hands. The result of your assumptions will be disappointment. You are not able to see what is ahead with clarity. You must live in the here and now to the best of your ability through My Spirit who will enable you to live righteously. Refuse to allow fear to gain a foothold in your life.”<sup>3</sup>*

*“When circumstances seem to be insurmountable you need to factor in the power of the Spirit. When you live in the Spirit you are an overcomer and able to accomplish the impossible. You can rely on Me to give you wisdom and direction in every situation. Have faith.”<sup>4</sup>*

*“Dwelling on past regrets is a waste of time. The best you can do is to learn from your mistakes and poor judgment and set your course to walk in the Spirit where I can impart wisdom, mercy and grace. Righteousness will be the result of your relationship with Me.”<sup>5</sup>*

*“Arise, My people, and receive that which I have given. Receive the joy of My presence within and upon your life. Receive it. Let joy overshadow you, so that it imparts greatness. Speak in faith and proclaim My will so that you can gain the victory over your circumstances. Establish yourself in thanksgiving and let My peace engulf you.”<sup>6</sup>*

## Donna Rigney

(★ extract from a prophetic download released on 30-12-2020)

*"I saw, through a haze, Father and Jesus sitting together on the bench that overlooks the world, where we often meet. They were laughing heartily and explained:*

*"Do not fear what the future holds because no harm will befall you! We laugh because We know the beginning from the end. The enemy did think he was defeating Us, but all he did was poke My sleeping Bride in the eye. Now a sleeping giant has risen in your land – and in others. She has risen from her slumber and is arising – a mighty army filled with My power and purpose."*

*Jesus said, "We laugh because she cannot be defeated, because I do head this army! I will lead every battle and will defeat all enemies assembled against you! Not only will you see great victories in your government, but also in the Church, and amongst My oppressed children. Victory is assured!" ...*

*Then Father revealed His plan for 2021 and beyond:*

*"These are days of greatness! Though for many of My children it feels like a time of great brokenness. Despair clings to many. If My people had faith, and with their eyes of faith opened wide, they could see things as they truly are. They would realize that they are experiencing the birth pains of great righteousness being restored to their land.*

*Yes, during the birthing process much pain is experienced, but the joy of the long-expected arrival of the new child carries the mother through the difficult time of labor. If My children could see the end result of this time of suffering with faith, they could more easily endure the trial upon them. See with eyes of faith your faithful Father hearing and answering your prayers, and your peace and hope will be restored!*

*Worship is essential in this hour, because it helps My children to remember who I am. Getting one's eyes back on Me through worship, and off your problems, always builds faith. With prayers and decrees of faith, I can move great mountains and bring forth those great things I promised in this upcoming year – actually, upcoming decade!*

*Great peace, great prosperity, and great justice are coming! Great judgments will be released on those who have executed great injustice. Yes, this is a year of unusual greatness. Great changes will herald great new beginning. Great hope and great faith will be imparted to My children, as they see My greatness displayed in all that I do, in answer to their prayers.*

*Great healing and great deliverance is coming to My oppressed, suffering children and will be a large part of this year – decade – of greatness. Great inventions, great cures for diseases and great prosperity will be made available to My children, as we move from a year of great suffering caused by the enemy, to a decade of great blessings brought forth through the prayers of My faithful remnant!"*<sup>7</sup>

(★ prophetic message received on 30-11-2020)

*"This is a great time. I'm really excited about this. I've been waiting for such a long time to release my sons into their full potential. All heaven is excited. Things are moving, and moving in the direction that we have planned. There's been enough impetus worldwide in my children to allow me to be able to release sons<sup>8</sup> to manifest who they really are. It has taken a long time – it's been a process. This process was needed to bring about change, to overcome the restrictions that were preventing me from manifesting my sons. It has always been my plan to bring about The Restoration of All Things, to take my creation back to where it was before The Fall. It's always been my plan. This plan is in 'full gear' at the moment. And part of that plan requires that my sons rise up and operate as I intended them to operate, to live their lives focused on my plans, being about my business, and, operating as I show them, where I show them and how I show them.*

<sup>7</sup> – [elijahlist.com/words/display\\_word.html?ID=24804](http://elijahlist.com/words/display_word.html?ID=24804)

<sup>8</sup> – i.e. "Sons and daughters" according to modern terminology

*This is a time of alignment between Heaven and Earth because my sons are aligning with me. That means I can release what I need to release, to bring about their manifestation in power and authority, to see change on the face of the Earth. To be part of the process of bringing about The Restoration of All Things, in the geosphere, biosphere, hydrosphere and atmosphere, and, the entire cosmos. This is not a simple task. It requires a lot of co-ordination from my sons to align with me, because without their alignment I cannot achieve everything I want to achieve in the period of time that I have planned.*

*Defiance from my children has held me up in the past, for such a long time. This is why I've been continually reminding you to align with my mind, with my heart and with my purposes, so we can act in unison, and Heaven can be released on the Earth to make the changes that are necessary.*

*This is truly a great time in history, and you are privileged to be alive at this time. It's important that you focus now on what I want to do in Australia, in your cities, in your streets and in your families. I work through you, through my sons, because this is the way I created you. I gave you this authority, and that authority is now restored to you, now that you are in my family again.*

*Operate for me. Operate with me. Function as I show you, and you will see great changes taking place. But remember, it is important that you keep in alignment with me, you keep pace with me. Don't race ahead and try to do things that you think I might want done. That's what religion is. Stay in alignment with me – walk alongside me, partner with me. Allow me to orchestrate what I need to orchestrate, and you do what you need to do, as I show you. Keep connected with me because my presence within your person, in your body, will strengthen you and feed you, and provide the wear-with-all to do what you need to do from now on.*

*'Grit your teeth' because the enemy will not like what you will be doing for me. Be on your guard. Stand in your positional authority as planet managers and vice-regents for me. Stay calm. Rest in me and relax in what I do. Everything will be accomplished out of alignment, out of peace and out of rest, because that's how the Kingdom functions.' ”<sup>9</sup>*

**>>>> More to come, but you must keep watching and listening for yourself <<<<**
