

# Moving into a Kingdom Time of No Striving

In this new era of the Kingdom,<sup>1</sup> more is being released by Father for our benefit, for Heaven's benefit and for creation's benefit. For example: Sons are being manifested;<sup>2</sup> we're to constantly live in The Presence;<sup>3</sup> we're to relate covenantally;<sup>4</sup> we're to come out of the world system;<sup>5</sup> a new army is being trained;<sup>6</sup> glory is being released through sons;<sup>7</sup> etc.

We're being advised of the details of the new order all of the time. Mike Parsons recorded what Father told him about: The new ekklesia,<sup>8</sup> & The Restoration of All Things.<sup>9</sup>

Here's more of what's being released for us to align with so we support Father's plans for his creation. It was a vision and message Ron McGatlin received:

*"I just now in this moment saw a new basket in the spirit. It was surprisingly small compared to a number of others of the past that were floating away. The one smaller basket replaced all the other larger baskets. I knew within that this new smaller basket was more significant and much more powerful than those from before.*

*I asked what is this? Is it church or government? He replied yes, implying it was all that and more, "It is the natural part of the heavenly rule on earth."*

*I understand from this vision that man's part is much smaller now. It contains much less gifting, ministry, warring, and every area of the natural part of the manifesting of the kingdom: fewer words and actions but much more effectiveness, much more taking place on the Spirit or heavenly side than the natural side, much less buildings, programs, teachings, organizing, but much more accomplished by the Spirit, much less governance and trying hard to make things right and much more of Spirit governing the world, even less dependency on praying, fasting, and saying many words, but much more just knowing, seeing, and watching Spirit God working from heaven on earth.*

*There is even less prophecy and prayers of many words and loud voices. But much more simply coming to pass by the Spirit. Even that spoken in a whisper is empowered by heaven and carried out by angels and supernatural events of God. Gifts are less needed as God works by the Spirit of Christ within our Spirit Beings releasing the purposes of God.*

*In the new Kingdom way of love, power, and wisdom through oneness with God in us by the Spirit, **our struggle is over.***

*Being as one with God in love causes believing in Him to simply be there in us. All that we need to do in order to do the works of God is BELIEVE." <sup>10</sup>*

There's much more coming, so we need to listen and agree so we can align with Father's plans. It's only by aligning with him that he can take us forward with him in what he's doing. When that's happening, we won't need to struggle and perform – it'll be 'easy sailing'.
