

Shake, Rattle and Roll

On the 6th January this year I received the following in my spirit:

“Shake, rattle & roll.”

I understood “shake” because I was shown many years ago in a recurring dream that our King was going to shake everything. This is now a fully confirmed fact by other prophetic voices.

I was concerned about how “roll” fitted in with the shaking process, so I queried it in my spirit. I received the understanding that it was to roll things over to see what is underneath, like a person does with a log or a rock.

My understanding of what “Shake, rattle & roll” means is as follows:

The Trinity is shaking everything that is man-made and everything the enemy has been responsible for setting up or modifying. Things (including persons, organisations, systems, etc.) that look righteous will be rattled to see what ‘falls out’ so what’s hidden can be seen. Some things will be rolled over to see the underside so that the unrighteous underbelly¹ is exposed for all to see. This shaking process is ongoing and will expose unrighteousness and evil, sometimes through drastic circumstances, while other times it will be a gentle exposure. Nothing and no one is immune to this process.
