

You Can Have Every Part of Your Being Fully Satisfied for Free

For a few years now, I've experienced having all my needs met so that I'm totally satisfied. I don't need to look anywhere to have any of my needs met. That includes looking to family, people, money, employment, pleasure, entertainment, etc., where I used to draw from in the past to meet my emotional, mental and spiritual requirements.

This was something I investigated, taking my Beloved at his word, and found him to be as he said he would be. I'm now replete – full-up and content. I'm even experiencing bliss¹ as I meet with him every morning, enjoying him and his love, while I draw from his life inside of me where he resides.²

These experiences can be had by every believer who's prepared to enter into an intimate relationship³ with him and desire his desire for oneness.⁴ He's calling every one to be satisfied this way, all the time. Here's a recent invitation through Brian Simmons:

*“My Spirit longs to satisfy every part of you: your mind, your soul, your desires, your longings. When darkness comes, I am enough to see you through the night. Come and learn the secret that all my lovers learn: I am enough for you.”*⁵

And as Father said to Mike Parsons:

*“I am always more than enough, abundant and overflowing.”*⁶

REMEMBER: Everything in the Kingdom is free – nothing in it has a financial cost attached to it.

Laurence
