

Positioned To Be Trained

I have put you in this position to train you. It's a time of growth, not an end in itself. From here I'll take you to the place I want you to be. Not a place of ease, but of work and toil for the Kingdom. Every sinew in you will feel the pain of the work that you'll have to perform, but it's my supernatural power that will sustain you through it. It's not time to halt, but accelerate. Time is short and there is much to do. Hook yourself into me so I can draw you into what's ahead. This is the easy way. There are harder ways, but choose the easy way I offer you. Remember, my burdens are light, so you will not feel the burden if you surrender completely to me. I'm your source. I am the Alpha and the Omega - it all starts and ends with me. Everything has its consummation in me. Without me there is no consummation because I am the source. I am the supply - I am the reason for the work you will do.

It's a Kingdom priority so adherence to my directives is essential (compulsory) so the end plan will be achieved. Little is known of what you will be doing. Little is known now and little then, but it will have a major impact. It will have ramifications in the spiritual realm that will flow out over the earth, culminating in my "Millennial Reign". This is imperative - do not give up - much is reliant on you. Focus, focus, focus. Don't lose your focus of me or the task ahead. Be tunnel-visioned so you don't deviate right or left. Trust me. Trust only me. Others will let you down. Others will attempt to distract you and draw you away with the affairs of this world. DO NOT listen to the distractions. I will give you the discernment you need to remain focussed, on task. The distractions will be strong - delusional - but my goal will be before you and you are to aim for that. No deviation - straight forward to the goal.

I will sustain you and feed you with all your requirements - no need will go unmet.

Listen to me and listen good. This is not a fairy story, a play or a book, this is reality - even when it seems to be fictional. Keep the vision I will give you. I will meet with you and support you on the whole journey - right to the very end. Remember my admonitions to you that I will perform for you what I intended. Yes, this is part of that, but there is more that you haven't dreamed of - more that has not entered your imagination. Much more grander things on the Kingdom scale. Don't be overwhelmed or feel unworthy or unskilled. I will prepare you and release you into your work when I'm ready and not before. Be fixated on me because I am the source and will download for you whatever you need to know. Wherever you are to go, I will direct you. Wherever your feet are to tread, I will prepare the way. I will go before you as your shepherd and guide, and you know how good that is. Rest in me. Keep resting - don't stop resting. It's in rest that you will not tire and where you will be strengthened for the work ahead.

Keep your eye on the plan, the plan I will give you. It's a detailed plan and requires much logical activity to complete it. I have chosen you for the task - you have not voluntarily designed it in your mind. It is an eternal plan that you are part of and its fulfilment will be grandiose. All my plans are grandiose by human standards - get used to thinking and achieving BIG. My Kingdom is set to overtake the earth and I want you there working alongside me - to partner with me in what I need to do. Father has given me the reins and I'm going to let you drive. We are in for a great ride and heading for a great destination.

Cheer up. Don't look so glum. The forces of darkness are sifting you so you must not give in or give up. You will succeed in me - if you keep your eyes on me and your heart connected to mine. We will go through this together - you and me - side-by-side.

Amen [so let it be].
