

# No Divided Heart

You're right, I am looking for excellence & I placed that in you for the tasks ahead. Great tasks of significance for my Kingdom's advancement. Yes, perfection is the name of the game, and it is achievable. You can achieve what I want you to achieve if you surrender to me - surrender all to me. It's not about you trying to do the best work, it's about compliance with my wishes.

You will achieve more if you submit to me wholeheartedly. No divided heart can achieve all I have planned - in the way I have things planned. Half-heartedness is not from me - it is the 'flesh' that gets in the way. Bring yours more under control so we can work together - you know, "joined at the hip". This is my desire for us - to work together in complete harmony. You thinking my thoughts as I place them in you. We will be so good together. I have created you to function this way in the heights of Heaven and on the Earth. Together - always together. Do you see that? Do you comprehend that? Do you want that? Yes, you do. So let's work more together than we have been.

I will release to you more of my Spirit - more of his power and anointing if you will stick close to me in your thoughts and desires. Not just your desires for 'Kingdom', but your desires to please me and be one with me. We need to be at this point of advancement for what's ahead - for what we are going to do together. I have great plans for you, as you know, because I've told you. I haven't hidden them from you.

My desire is to show you more, but you must break free from your habits that tie you to the natural world. Come up here with me into the heights of the Spirit so I can groom you for your work. It is great up here - the heights of my Heaven - far above the realm of the Earth. Sure, it (Heaven) is right in front of you, but the difference can be referred to as 'height'. You've been saying "higher", "deeper" and "further". These are expressions of commitment to greater intimacy and involvement in the things of the Spirit. You will know the reality of this if you 'press in' and seek me - not the realm of the Spirit. Desire is OK, but you must desire me more. I will give you that desire, but it's up to you to follow through what I show you and where it leads you. You must follow - follow me. It's all about me - about my desire and my plans for you. Don't get me wrong, I love you and what you're doing for me, but there's more - a higher (better) way. It's a way of compliance and of submission.

Don't let work get such a hold on you - it will lead you away from me, even though you do it for me. Many have taken this path and have not survived the ordeals. Many have given up because of the pressure and gone their own way. Don't let this happen to you. Don't waste your time - use it wisely. Use everything I give you wisely - even your wife and family.

The tasks I have given you will burgeon in size and number. Keep strong and focused - focused on me and on where I'm taking you - up, higher, further.

Thank you for loving me. That's all I require of you to give me. Give more of it by your dedication and heartfelt level of it. We are one. I like it that way and want to keep it moving along in harmony together.

I love you my son. Keep relying on me for your resources. There is breakthrough ahead in this.

Love me more with your heart. Let me place that in you at a greater level as you step out to do it.

Great is the work I have for you. You have been prepared and I will prepare you more. Step out in what I show you without fear and without looking back. Look to me - look forward. Leave the past behind...
