

# Prepare

(Conversational prophetic message recorded on the 3<sup>rd</sup> March 2021)

**Background:** *These 3 messages were received while enquiring in the spirit what our King might want to say to his people in Australia.*

## Message #1

“Prepare. Prepare for what’s ahead. Don’t wait ‘til events take place around you, in your nation and in your life. Prepare for them with me. I will always advise you of what you need to do in your life from day-to-day, and this includes the need to prepare for what’s ahead.

If you focus totally on the world around you (what’s going on, politics, natural events, entertainment, and the like), you’re not being sons of the Kingdom, you’re just being human beings. Life in the Kingdom is different. It requires a focus on the spiritual realm and the natural realm, and this must happen in tandem, all day long. You can’t ignore what’s happening in the spirit realm because the Kingdom is a spiritual kingdom and it manifests through you into the world around you, into the natural realm. This is a concept that you must grasp. To operate successfully in the Kingdom you need to have your mind focused on the Kingdom, focused on me, listening to my Spirit, and looking for opportunities to impact those around you. It is not a passive thing to be a son, it’s active. You need to apply both spiritual and natural energy to be effective as a son in the Kingdom.

There is no point drifting through your life, allowing me to manage your life for you. Sons work with me. We’re in partnership. It’s an apprenticeship through growth and development until maturity. So, you can’t continue to operate like a child, totally relying on me to see that everything is in place for you. You need to grow up, become more mature, taking responsibility for your lives and your Kingdom operation. It’s actually an honour to be raised up as a son. It’s not a duty. It’s not a burden. Sonship has responsibilities and these need to be focused on and met. So, listening to me, hearing me communicate with you and following my instructions, and operating out of wisdom, knowledge and understanding that’s released to you from Heaven is a normal, daily routine for sons.

There should be no instance where you look back and wish you’d known something. Because if you’re communicating with me and you’re listening to me, you’ll hear me tell you what you need to know about the future. Nothing should be a surprise to my sons.

So, listen to me, ask me questions, wait for my answers, and continue to work with me throughout your life and the personal Kingdom you’re in charge of.”

## Message #2

“Fear has no place in the Kingdom. So, allowing me to prepare you for the future will save you the distress that you find yourself in when you become fearful because you didn’t know things were about to take place.

There’s no need to fear the future, because my future for you is always beyond “good”. Sure, in the world around you there’ll be disasters, there’ll be issues, there’ll be problems, but we’ll work through those together. Fear need not rise up in you.

So, prepare for your futures – the good and the adverse. These are part-&-parcel of being in a ‘fallen’ world. You can’t get away from them, but my favour and my blessing are always there. My grace allows you to move forward despite sin in your life, despite the sin in the lives of others. You must see that.

Prepare with joy, knowing I ‘have your back’. Knowing that I have your future and your future is always wonderful.”

### Message #3

“Not everything you have to prepare for is disastrous. You need to prepare for the changes that I bring to your life. You need to change your attitude towards your progress. Rather than drifting along or forcing things to happen, you need to work with me on your future. As we communicate together I will talk to you about your future – those areas you need to know something about – so that you can prepare yourself in the way that is required. Where necessary, I will leave you to do the preparations. In most cases I will advise you what you need to be doing. It may be as simple as applying for promotion. It may be changing a job. It may be changing occupation. It may be selling your house. It may be connecting to a different group of people. All these are important for your future. They are part of your path into your destiny.

And remember, your destiny is the purpose you were placed on Earth. It’s not the destiny you decide for yourself, the destiny you dream up for yourself or that others have imposed on you. Your destiny is with me. Free yourself from all constraints that you’ve placed on yourself in regard to your destiny and free yourself from those that others have put on you.

Sit with me. Listen to me. Allow me to be your guide, your teacher, your trainer, your best friend and I will lead you into your destiny by preparing you for every step. Yes, entering your destiny is a step-by-step process. You need to be able to achieve certain things, be in certain places, reach a certain level of maturity, before you take your next step.

So keep focused on me. Allow me to prepare you. You’ll enjoy life a great deal more when you do that because life was meant to be lived, and lived in tandem with me, in partnership with me and in harmony.”

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia. Since 2017 CCOP has been expanded to function as a network of prophetic voices.
