

More on this Current Time in the Kingdom

(February 2021)

Following on from the prophetic insight I was given concerning the current season we are in,¹ a time when Forerunners are leading the vanguard for the restoration of all things, this is an update. More information is being received to cement this time in our understanding and to equip us with the knowledge we need to move forward without deviation. There will be glory rising alongside the rise of darkness, so we must focus on where we are going and make sure we are aligning with Heaven every step of the way. Read on!

KINGDOM MESSAGES

Kathy McGraw

(★prophetic download published on 18-2-2021)

“My people, you have a profound destiny. You have a Kingdom accomplishment in which you need to be committed. You have a divine assignment here on Earth to complete.”²

Marsha Burns

(★prophetic downloads recorded in February 2021)

“I will continue to equip you to do My work and to lift up those around you. That also means that I have given you the ability to overcome adversity, the work of the enemy, and your own flesh responses. Pay attention to what you say to others and do your best to control your impulse to whine in an effort to gain sympathy. Let your requests come before Me alone, and I will give you wisdom and the kind of help that will actually make a difference.”³

Bill Burns

(★prophetic downloads recorded in February 2021)

“It is time for you to become new wine skins, for the old wine skins have become dry and hardened and will not be able to expand with the revelation of that which I am doing in this season. So, let your wine skin be renewed by the oil of this moment and the oil that I am providing for you. Let the oil of My touch and My glory soften and refresh you, anoint you, and hold you. Let the oil of My glory come upon you. Be renewed.

Be made into a new skin so that you may hold the glory of this season and so you may not only have a taste of it but that you shall become full of it; that you shall contain all that I am doing. Let My glory come upon you and change you, says the Lord God.”⁴

“Listen, My people, and I will show you and will demonstrate the kingdom that I have in mind. Come forth in faith. Come forth full of excitement. Come forth, and I shall bring you into the land of discovery. In the process of time, you will indeed discover those things that have been hidden away from you for such a time as this. The discovery of these revelations will set you free, for they will bring you higher than ever you have been before. This time of discovery will lead to elevation, says the Lord God Most High.”⁵

Ron McGatlin

(★ extract from a prophetic article published on 16-2-2021)

“We, the God seeking people, have exhausted ourselves in attempting to make things right and better in the world, our nations, families, and our personal lives.

Have we been attempting to build a God-like house of our own making and to our own satisfaction with our God-given tools and blessings? Have we come up short of the perfect way of God and failed to grow into the fullness of the mature supernatural grace empowerment of the pure holy love of God in Christ by the Holy Spirit?

In recent times, the roots of our mixture of a self-focused form of godliness have opened the door to the culture of a deceived generation trained in darkness against the truth of God.

Now, in this day, there has been a strong offensive to retake the government and the culture from the generation of darkness. Much if not most of our attempt to make wrong things right in this current deceived generation has erroneously been using the same tools that the evil inflamed culture is using.

We have fought fire with fire and met evil violent threats with the same tools. We were wrong in believing that we could stop the enemy flood of words of fire and brimstone by attacking the enemy with fire and brimstone of our own making.

Our zealotry of harsh strivings for national and self-protection from enemy takeover was mixed with our pseudo godliness. The inevitable failure of this erroneous tactic has left us in some degree of shock and despair.

We in America and the world are now being broken and made ready to awaken to our folly and turn from it to the reality of the love of God and His great mercy.

By the empowerment of God’s grace, we are now becoming ready to surrender ourselves to the humble reality of His kingdom of the pure holy love of God.

SUBMITTING TO THE KINGDOM OF GOD

All of this change is caused by the kingdom of God in Christ Jesus the King now coming forth on Earth. This is the storm that is clearing the land for the Kingdom of God coming forth on Earth.

The huge storms of destruction are not the fullness of Kingdom but only the beginning of the manifesting glory of God. It is not the end but the beginning of the rule Christ with a rod of iron.⁶

It is the removal of the evil darkness and the religious mixtures to make room for the glorious fullness of the invading righteousness, peace, and joy of the real kingdom.

In a true kingdom every living person is submitted to the king. There is no democracy in the sovereign rule of a king within all of the territory of the kingdom. The subjects of a kingdom do not have a vote in the governance of the kingdom.

4 – Bill Burns “The Trumpet” (14-2-2021) www.ft111.com/trumpet2021.htm

5 – Bill Burns “The Trumpet” (21-2-2021) www.ft111.com/trumpet2021.htm

6 – Revelation 2:27, 12:5, 19:15; Psalm 2

However, in a kingdom, there is protocol and order of access for prayer humbly submitting your needs or desires to the king for his consideration. Yet, it is always entirely up to the king to decide that which is or is not to be done.

If indeed the request is aligned with the will and desire of the king and the king decrees action to be taken, then the entire power of his kingdom is applied to bring it to pass.

What does it really mean to submit to the Kingdom of God, and how do we do it?

All must bow to, submit to, surrender to, King Jesus and His Kingdom, the Kingdom of God on Earth.

There is nothing prideful or aggressive in the Kingdom of God.

The Kingdom of God enters our lives and the world through the beautiful gate of surrender, total submission, and trust in the King and His kingdom rule.

Jesus came from Heaven to become as a man and demonstrated the Kingdom life as He taught the way and the word of the Kingdom. His message was that the Kingdom of Heaven, Kingdom of God, has now come to Earth, repent (turn, change your thinking) to align with the new reality that the Kingdom is at hand.

His method was to proclaim and demonstrate the Kingdom by speaking and doing only what He heard and saw the Father saying and doing in perfect alignment with Father God.

Jesus humbled Himself even to the cross demonstrating perfect alignment with the perfect love of Father God.

JESUS DEMONSTRATED THE POWER AND THE SOURCE OF THE POWER OF GOD.

Jesus went about doing good. He healed the sick, cast out demons, cleansed the lepers, raised the dead. He walked on the water and quieted the storm with a word and much more.

Jesus shows us and teaches us the source of releasing the supernatural works of God. He completely depended on Father God for His entire life and all that He said and did in this world. He did or said nothing apart from that which Father God was saying or doing.

Jesus never fought back or rendered evil for evil and taught us to do the same.

THIS IS THE SECRET MYSTERY OF DEMONSTRATING THE MIRACLE WORKING SUPER-NATURAL POWER OF GOD ON EARTH.

Perfect love, faith, hope (positive expectation), fullness of power, wisdom, righteousness, peace, and joy are the meat of the children of God who totally walk in the Kingdom of God, in God, and God in them. This is the life of Christ Jesus now being fully formed in the mature sons and daughters of God.

Some characteristics of the Kingdom life of power:

- Jesus taught: Love your enemies,*
- Bless those who curse you,*
- Do good to those that hate you,*
- Turn the other cheek,*
- Go the extra mile,*
- Pray for those that spitefully use you and persecute you,*
- If they take your tunic, give them your cloak also,*
- First be reconciled to your brother,*
- Agree with your adversary quickly...And much more.*

The King has all power to protect and defend the humble, peaceful sons and daughters of his Kingdom.

In a true kingdom every living person is submitted to the king. There is no democracy in the sovereign rule

of a king within all of the territory of the kingdom.

What does it really mean to submit to the kingdom of God, and how do we do it?

There is nothing prideful or aggressive in the kingdom of God.

Losing our prideful and needy past life of aggressively seeking to take care of ourselves is only possible as we meet the overwhelming, all-consuming, passionate LOVE of God and the majesty of His glorious kingdom reality of righteousness, peace and joy in the Holy Spirit of God within us and among us.

TAKING UP OUR CROSS

Our cross is the end of the pride-filled existence of seeking to be my own little king in my own little kingdom. There is never enough in our little king lifestyle. No matter how much we acquire or how many great things we accomplish, it is never enough, and it always leaves us empty in the end.

Experiencing the love in the presence of our glorious all-powerful God removes all fear and all need of being our own king and makes it reasonable to take up our cross of the crucifixion of our own old life to receive the fullness of the glory of the resurrected life of Christ Jesus in us by the Holy Spirit.

A NEW KINGDOM GENERATION IS ARISING

Within and beyond the cleansing fire storms, there is arising from the ashes a generation of men and women filled with the love, power, and wisdom of King Jesus fully abiding within them.

This kingdom generation walks in the righteousness, peace, and joy of the Spirit of God continuously. They collectively are the fullness of the Body of Christ Jesus, the King and Lord on Earth from Heaven.

The world has waited groaning for thousands of years for that which is now coming forth on Earth.⁷

Close your natural eyes and open your spiritual eyes into the Spirit realm of the eternal purposes of God Almighty. Can you see the generation arising as a great light in the midst of great darkness covering the Earth?⁸

Multitudes are coming forth into the light out of darkness overcoming the world and dispelling the darkness, removing the shroud off the people of God, removing the heavy burden of self-government and every weight and hindrance of humanism's unbelief and doubt, re-establishing the lost love connection of oneness with God, and being re-established as true and faithful living sons and daughters of God without limitations.

LOVE IS THE SUBSTANCE OF GOD THAT OVERCOMES THE WORLD

The glory of God filling lives and covering the world is the living substance of the love of God. God is love that is everlasting life of peace and joy without measure. The substance of love overcomes all disease, all sickness, all evil of every sort is defeated in the pure holy love of God filling and flowing from the core of the being of God Almighty.

Love fulfills all law and establishes perfect alignment with the perfect design of God in Heaven for all of His creation.

The perfect love of Christ Jesus now abiding in the new generation of sons and daughters of God is the beautiful gate of the kingdom of Heaven on Earth. It is the perfect pearl, the hidden treasure, the New Jerusalem, the perfected Bride, the fullness of the marriage of the Lamb to His Bride."⁹

(★ my summary of points from his 2020 prophetic journal released)

- The old church system is coming to an end.
- This will be accompanied by deconstruction of the old system and a transition into the new *ekklesia* with an abundance of grace to drive it.
- The old church methods won't accomplish what's needed for the next season of grace.
- *"Do not be afraid to embrace the deconstruction of the old so that the new can be revealed."*
- The principle of "Latter Glory" being greater than the former is true in this instance. However, those in the former glory never want it to end.
- Father is about to release the next season ('greater grace') to those who embrace the grace expressed in the revelation of 'The Restoration of all Things'.
- 'Greater grace' will lead to 'grace upon grace'.
- Grace will be expressed in new ways for those who leave the old ways behind.
- This transition is always messy and confusing.
- There is great resistance to this change, but Father will not stop until the truth is revealed.
- Those who resist the grace message of restoration, the season of deconstruction will continue for them. However, there is still grace for those in that process.
- The new grace can't manifest until the old grace has ended. However, those in the old grace will fight to keep it in vogue.
- *"Becoming an amateur in the new is so difficult for those who have been professionals in the old."*
- *"Those resisting the new will expose themselves as using the religious and political spirit to those discerning enough to see through the charisma and see the absence of the fruit of love within character."*
- Don't look for the signs of the past. Instead, look for the signs and sounds of the new things that Father is about to do.
- The sign of the deconstruction of the old will be the 'sound' of the birth pangs of the new.
- The signs of the old coming to an end will be the signs of the greater grace of the new.
- Don't get caught up in ending the old. Instead, focus on establishing the new.
- The transition to the new is very difficult because new foundations can't be laid over the old. Instead, foundations have to be relationally established, so that the footings are genuinely new, not a rehash of the old.
- The DNA of Isaiah 61 is the new foundation. We must take on the simplicity of that truth and encourage everyone to participate.
- Those who are transitioning to the new will find it hard to let go of the old mindsets, systems, positions of power and structures that they are comfortable with. That's because they get their identity from them.
- *"You cannot change the mind-set by changing the practice. The only way to change a mind-set is through encounter; so facilitate encounters, and I will transform the beliefs to enable the ekklesia to rise."*
- New mindsets will release new practices to build on the new foundations.
- The true hallmark of the new grace is loving-kindness.
- *"Limited, conditional love is expressed as the uniformity of agreement; but true, unconditional love is revealed in the unity of relationship."*
- Unconditional, loving relationship is what the essence of who Father is, and that will inescapably lead to both deconstruction of the old and restoration, which is the new.
- The end of aligning with the DIY, Tree of the Knowledge of Good and Evil, will enable the revelation of the Tree of Life to be revealed.

- *“Being seated in Heaven to release Heaven's authority into the earth is the only way a new order ekklesia will rise from the ashes of the old.”*
- The new seasons of grace will be missed by those who resist change during the cycle of judgement that is coming upon them.
- The cycles of judgement are not to bring death, but life.
- Those in judgement should acknowledge their darkness and embrace the light of grace.
- Some of those who rightly judged the old systems are deluded, because they are setting up the same systems under new names.
- *“Those forerunners who are taking people back into the wilderness of the old covenant Jewish systems of law-based living in the illusion of freedom; are in fact in the delusion of the old dressed up as new.”*
- *“The shift to the greater grace that is coming will only be fully experienced by those who have embraced the transformation and deconstruction of the last season of justice.”*
- What is this justice? It's the outworking of the judgement that was released from Heaven in 2014.
- We will be challenged by those who are entrenched in the old system and we will have to face many accusations on a scale we have not previously experienced. However, don't hold back in moving forward with the transformation.
- Don't be intimidated by the accusations, but be wise in responding to opposition.
- We are to keep our hearts pure and ensure that we live loving, choosing to forgive and releasing those who criticise and attack us personally.
- Only enter into debates that Father specifically mandate us to engage in.
- The old, hierarchical, mediatorial covering structures cannot coexist with the new, relational foundations.
- For the new *ekklesia*, there is a call to connect and gather together.
- *“Abundant life flows through relationship, not meetings; but true relational gatherings will facilitate an increase in the flow of the Tree of Life and fruitfulness.”*
- To those who respond and start to gather, they will be equipped with new mantles, weapons and authority scrolls of various types.
- Gatherings will resonate with the greater grace and empowerment will be released to overcome with love for those who live in rest.
- *“Gather together regularly for food and fellowship and testimony in homes.”*
- *“Belonging to family is the key to growth; so provide a family atmosphere for love, joy and peace to flourish.”*
- Fellowshiping together is an opportunity to communicate and share. This provides support and encouragement for each other.
- Include people from the 'move-on' houses¹⁰ for the homeless in those gatherings.
- **IMPORTANT:** *“If you don't gather, you cannot be an ekklesia and you will have no local government.”¹¹*
- The early church was an example of this new grace movement, but it will be transposed so that it fits into today's culture.
- The new grace will see new oracles from Heaven which will motivate The Restoration Of All Things^{12, 13}

(★ extract from a prophetic message received on 8-2-2021)

“I genuinely desire to open my people’s eyes to the freedom they have. But for centuries, religion¹⁴ and the enemy has kept them locked in, closed off like they are in gaol, because they’ve submitted to what they’ve been told and what has been spoken to them. They haven’t submitted to me and asked me for the freedom that’s theirs. In fact, the majority have considered freedom as inappropriate for sons. They consider that they have to be my slaves. I have never wanted my people to be slaves. They are servants in the fact that they serve me and my purposes on the Earth and in the spirit realm, but they are definitely not slaves.

I earnestly desire to free my people into the liberty they have as sons. Humanity was created in our image and in our likeness. They are our image-bearers. We set them in charge of the planet, responsible to us to manage it properly, to oversee it and to rule the natural realm. That’s not an example of slave. That’s sovereignty, and kings aren’t slaves. Kings only make themselves slaves when they are defeated by another king and submit totally to that other king or emperor. We have never, ever conquered humanity and subjugated humanity so that we control what they were destined to control. We have never put them in a position of being subservient to who they’re supposed to be. Never! That was the work of the enemy, working in their hearts and minds, and in other people, to destroy their sovereignty, destroy their kingship, their rulership. That was never our intention. Our intention was for humanity to be our children, our image-bearers, who operated like us and for us, in partnership with us in all of creation. All of creation – that’s the whole cosmos.

There’s so much wonderful freedom and liberty in sonship, but they can’t see it for the veil, the cloudiness, that’s before their eyes, that’s been placed there by the forces of darkness who want to rob them and bind them up. Oh, that my people would really grasp onto the freedom that they have. We would be able to achieve so much more together. My plans for planet Earth would have been achieved long ago, if that had been the case. But alas, it has not been so.

Today, I call my people to submit themselves to me as sons, with all the rights and privileges of my sonship. To cast off fear, which brings them into bondage. Fear of every sort must be cast out of the lives, their minds and their hearts. And open themselves up to allow me to speak into them and draw them into the fullness that is theirs. Without that, they can’t enter their destiny because bondages are chains that keep them tied down so they can’t flourish, they can’t prosper, in the ways I want them to, so that my plans are fulfilled.

Come my children, come into the freedom. Start by coming into my family and desiring to be my son, like my Son, Jesus the King, is. Come in. Enjoy me. Feast at my table. Allow me to prosper you. Allow me to pour favour and blessings into your lives. Open your eyes and receive everything I have. Don’t allow religious bondage and dogma to keep you away from my love and everything I have for you. Truly, it’s not worth it.

*Once you taste the life of a genuine son and you work with me on the assignments I have for you and you spread your wings and become free, you will not want to go back to where you were. You will not. **But**, until you step out and take hold of what I have, the wonderful life of sonship, you will not enter into that freedom because you will be too afraid.”¹⁵*

OPPOSITIONAL ADVICE

Nate Johnston

(★ Extract from a prophetic message published on 15-2-2021)

“Last week I woke up in the night to hearing the Lord say “Don’t delay, its time to release the movement NOW!” I felt such an urgency on this instruction as if we were at the kairos moment the transition and preparation has led us to birth these ministries, expressions, streams and movements from heaven...

¹⁴ – i.e. Everything man-made systems right down to things that people do or say which they think pleases God. Also, the things what they do to placate his anger. These are not done in alignment with Father’s desires because an intimate understanding of his heart is missing.

¹⁵ – “Sonship’s Freedom” canberraforerunners.org/wp-content/uploads/2021/02/MESSAGE-Sonships-Freedom-8-2-2021.pdf

As soon as I woke up I kept hearing two words, "Interruption" and "Assassination" and I felt prompted by Holy Spirit to pray and break off a specific demonic agenda that comes against movements and movement carriers. The assignment of assassination has tried to prevent momentum by interrupting the work of the Holy Spirit bringing overwhelming doubt and confusion, tiring opposition and spiritual harassment, and most obviously choking the voice of these ones carrying these movements. But the justice of the Lord is roaring over His people and every single arrow that has been fired is being returned, every single bind is being undone, and for weariness and discouragement is coming a fresh strength and joy for the vision...

There are many tactics the enemy uses to delay what God wants to birth through us but as I was in conversation with the Lord I kept sensing the pursuing love and approval of the Father combating the fear and disapproval many feel in this stage of their spiritual pregnancy. His love right now is breaking the religious shackles of those who have not launched out due to fear of failure, in fear of what people will think, and fear of not having people's approval and green light.

So many of you are carrying powerful movements but are waiting for someone to call your number and approve you before you jump out, roll out the red carpet, open the door, and give you a platform. I did this for years and all it did was create frustration in me and resentment that no one was seeing what I carried. All the while God was simply asking me to trust HIS approval and begin to step out daily. God is fanning flames in this season that will be wildfires for the nations. Some of the most powerful movements of this season won't be birthed from the stage and lathered in the approval of the masses, but birthed in obscurity bathed in the fire of the secret place. If God has called you and anointed you and you feel that release then GO!"¹⁶
