

See Me As Your Prototype

(Extracted from the middle of Part A)

...I love you, my son. Continue on your journey of discovery. There's much to learn and much to experience in my Kingdom and it's not all acquired easily. "The Path"¹ is accurate and expresses my heart to my people in **these days of preparation for the darkness**. Yes, darkness like the world has never seen. The holocaust will be 'child's play' in comparison, it will be that bad. Not just the final stages, but the lead-up as well.

You are being prepared for this as you have an important position of leadership. I've raised you for this, selected you for this, after testing you and your resolve. Yes, you failed many, many tests, but **I see beyond these to your potential**. That's how I work with people - I look for and at their potential. That's what I work with, just as I did with the simple folk who were my disciples in my days on Earth.

You are correct in seeing me as your prototype. Well done. Please continue to tell others this vital truth and learn to live and operate like me. It's critical for your survival and the rise of my end-time church. My glorious ones must come to this truth (fact) and get out of their religious ideas of just following my teaching in a church environment. It is vital - I say vital for its imperative nature - that you copy me.

Learn to live out of the heavenly realm and operate onto the face of the Earth as Ian [Clayton] teaches. He's not always accurate in what he teaches - like all of my teachers - but the essential truths are there, encased in his messages. Learn them; teach them; live them. This is V-I-T-A-L! This is how I operated in league with my Father and with Heaven. This is your home. This is your place of abode - not the house you live in or the nation in which you reside.

Get this and get it good. Get it deep down inside you so that it's your lifestyle. Church is more than meeting on Sunday. Church is who you are - my 'called out ones', my ekklesia. **Your job is to rule and reign for me** - through me and me through you. My Father's Kingdom must come - it's inevitable - but it requires compliance and alignment of my people to everything that is on my heart.

All the new things are not to be spurned, rejected or treated with suspicion. Tell others this vital information. Tell them to flow with me and not their spouses and friends. Oneness at this stage must become a reality. Oneness is not only the way our lives are to be, oneness is for survival in the days ahead and for victory. Victory of my purposes and of my Kingdom's advancement is essential. We have 'marked time' for too long in your cushy lifestyle and religious ways. It's time for action - real, genuine action of Kingdom style. You'll see remarkable outcomes this way and only this way...
