

Having Dominion Right Now

(Instructional prophetic message recorded on the 25th March 2021)

Question: *Father, you recently revealed to us that managing our lives is operating in dominion.¹ Please give us more information on this.*

Message

~ The message was received as a series of instructional points. ~

- “Dominion is properly operating in the domain you have been given to supervise. This is a kingship function.
- **This is how you operate as a king: By administering your lives.**
- When you take control of your situations and circumstances, and work with us to see the outcomes arise successfully, you are operating in a level of dominion that is pleasing to us.
- Many object to the word ‘dominion’ and object to the terms ‘rule’, ‘ruling’ and ‘ruler’,² but this is denying who you are and why we created humanity. It denies your responsibilities, the ones you have now that you’ve come into our family again. You see, you’re our ‘seeds’ that we’ve placed on the Earth, to grow and produce ‘fruit’³ that’s acceptable to us.
- You are not a Christian, that’s a religious term. You’re sons. You’re family.
- You are eternal beings – your spirit that’s inside of you, operates like us. That’s how it was intended. We’re spirit beings and we created you as spirit beings, but you have a natural body so you can interact with the natural realm that we created. Your spirit-man is to be the dominant component of your being. It’s our component that you have. It’s the one that’s in our image and likeness. So like us, you’re to be in charge. That’s our intention, because we are in charge.
- Your dominion is over the domain that you’ve been given. The primary one of those is your life. So rule it, have dominion over your lives. But be careful that the dominion you operate in is in concert with us. We are the ones who keep you stable and in line with the way things are supposed to be and the way you’re supposed to operate.
- Be careful with dominion because it has become control since The Fall, where Adam ceded his rulership of the planet to the enemy and he has ruled the planet [ever since]. He brought his methods, and his methods aren’t ours, which means that the default function of human beings is control. We’d like you to see that you operate like us in dominion, which is not control. You manage⁴, you administrate⁵, you set things in order, you ensure that things are stable. This is rulership of your lives. You cannot control all situations and circumstances, so managing your lives allows you to administrate every situation and circumstance that arises. And, with our wisdom, knowledge and understanding, you can deal with those successfully, so that the outcomes are beneficial for you.
- Be careful. You are not to have dominion over others, unless you are placed in a position of authority, in which case you oversee; you do not control. You manage them as is required by our plans for them and for yourself. This is why alignment with us is so important: You get our mind on everything, including those people who you are in charge of.
- Dominion very easily moves into control⁶, so be very careful.⁷

1 – “Operating In Dominion” canberraforerunners.org/wp-content/uploads/2021/04/Operating-In-Dominion.pdf

2 – That’s because of fear of being controlled. For Christians it’s considered to be an error in theology (i.e. heretical).

3 – This is part of our responsibility to be fruitful.

4 – ‘Manage’: To work through a task to completion properly (An everyday definition)

5 – ‘Administrate’: To fulfil your role and responsibilities properly (An everyday definition)

6 – This is when we dominate others instead of functioning rightly as kings in our proper domain in Kingdom-style dominion.

7 – Dominion without humility and a heart full of Father’s love causes a person to operate selfishly which is what control is used for.

- But don't baulk at the dominion that you're supposed to operate in. Don't see dominion as an evil thing. As sons, you're in a place where you're supposed to be, as kings, so rule your lives. Have dominion, but at the level we show you, and always in alignment with us so that our plans and purposes are implemented in your lives.
- I'm pleased to see that our people are progressing now. So, take hold of this new revelation and operate in the dominion that's appropriate for you. This is part of your maturation (your maturing), so don't baulk at it. Allow us to teach you and train you how to operate in dominion. When you are successful, and you can be trusted, we will expand your domain so you have a greater impact on Earth. We're looking forward to our sons manifesting in their full capacity.
- It's great joy for us to see the progress that's being made across the planet, as our people appropriate in their lives who they're supposed to be, and are operating more and more in alignment with who they are. There's a long way to go, but keep moving ahead, listening to us. Keep your heart pure, free of 'clutter', attuned to us, so you can accept what we show you, because you'll not be able to change unless your heart and mind⁸ agrees with your spirit."

⁸ – i.e. your soul. However, the mind and the heart are the main sources of conflict with your spirit.
