

# A Time of Change

(Conversational prophetic message recorded on the 16<sup>th</sup> April 2021)

**Question:** *Sovereign Lord, what is it that you're wanting to say to your people in Australia?*

## Message

“My people, this is a time of change. Change, upon change is coming. You must be prepared for it, as I’ve been warning you.<sup>1</sup> Some of these changes are beneficial, some of these changes are not, so you need to be prepared for the good and the bad. There is much change happening all around the globe. These changes are inevitable, as the battle between the Kingdom of Light and the Kingdom of Darkness continues to escalate.

I’ve been preparing you for this, and this is another update to be prepared. If you’re not prepared, you’ll not be able to handle the times ahead. You’ll not be able to deal with every situation confidently, as sons are meant to. Preparation is essential. You cannot continue to drift through your life relying on the government, relying on other people, relying on your pay cheques, [etc.]<sup>2</sup>. I must be your source of reliance. I must be your resourcer, the one who meets all your needs.

This is a new concept for many. But, with practice, you’ll find that life has greater meaning, because you’ll be less focused on the issues, the problems, the difficulties and the lack that you have. None of my sons are to lack anything. My provisions have always been available, it’s the way we’ve planned it. It just needs to be accessed.

Plan now to set your heart in order and your life in order, as well as your situations and circumstances. Remember, sons administrate<sup>3</sup> their lives and they have no fear<sup>4</sup>. They confidently approach every situation, every circumstance and everything that life ‘throws up’ against them. This is not a difficult thing to do. Allow me to train you [for that] and you’ll be prepared to handle life in all it’s ‘colours’ and all it’s ‘hues’.

Cease looking for the easy way out, the comfy life. Look to me and my Kingdom, and ‘hunker down’ to work on whatever I give you to do and whatever your life presents to you. I’m not saying that life is supposed to be hard for you. I’m saying, as sons, you realistically approach life through the lens of the Kingdom. You see every problem as an opportunity for a solution and a blessing. You rely on me by going into your Internal Kingdom, where I reside, and allow me to deal with everything. Once you’ve completed your responsibilities, I’ll do the rest.

Life isn’t easy, but it can be full of peace. As you train with me, as I teach you, as I prepare you, as I clean you out on the inside, I’ll transform you into the sons you’re supposed to be.

Preparation, preparation, preparation. Bear that in mind every day. Think to yourself, “What do I need to prepare for?” Listen to me respond to that question and I’ll show you what to prepare for – how to prepare, when to prepare – and you’ll be ready for what comes.

Remember, what will approach you from the distance will be beneficial and also detrimental. You cannot escape that. But in partnership with me, working in tandem with me, allowing me to be the one who oversees your life, whatever comes will be a blessing, because I will bless you. Whatever comes, we will handle together.

All that may seem a contradiction, but if you rely totally on me, you’ll see that it’ll become a reality. And, you’ll understand a mystery that you never understood before.

I don’t change. I’m your foundation. This is where your ‘roots’ must go down to, deep into me. This is where you’ll find stability in the days ahead.

I’m here. I’m waiting. Call on me. Ask me and I will reveal what needs to be revealed.”

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia. Since 2017 CCOP has been expanded to function as a network of prophetic voices.
