

# Living Water Brings Wisdom, Joy, Peace and the Way Forward

We already know that it's essential to drink of the Living Water<sup>1</sup> every day to be refreshed for the trials and tribulations ahead of us. I've discovered the truth of this and it's now a reality for me. Every morning I spend considerable time just soaking up the Living Water, doing nothing else.

We've also learnt that we can experience bliss in the presence of the King.<sup>2</sup> I experience this every day because I don't treat drinking the Living Water as a religious activity or a theological idea. Instead I draw life from the Internal Kingdom<sup>3</sup> which I've discovered is what the Living Water really is. It's the King's life flowing to my being from his presence inside me. Just soaking blissfully in that life refreshes me, energises me and stabilizes me for the day ahead.

I don't need to do much more at the start of my day, except communicate relationally to the members of the Trinity and pray in the Spirit as needed.

While I'm drawing life from the Internal Kingdom every morning, I also draw joy and peace because they both come from the King. Added to that, I get most of my revelations and downloads each day during this time of just enjoying his and Father's company.

All of that is my spiritual experience, not theological understanding or "biblical truth". It's what my Beloved has drawn me into and I'll continue to allow him to draw me in further. There's no stopping how it will develop into something better and better.

I was very pleased to hear the Lord say the same thing to us recently, confirming my experience:

*"I hear the sound of the living water that is flowing to you on your behalf in this time", says the Lord. "I hear it. Do you hear it? I feel it. Do you feel it? Come into this place where the living waters are now touching you, renewing you and healing you; bringing you the wisdom, joy and peace that you need in your life this day. Allow the living waters to move into you, through you, and you will find your way. The path of life will be opened and demonstrated to you as you go."*<sup>4</sup>

My experience can be yours. Just pursue it with an open, loving heart that wants to receive.

Laurence
