

# Time to Focus on Time

(Conversational prophetic message recorded on the 2<sup>nd</sup> May 2021)

**Question:** *Sovereign Lord, you've been speaking to a number of us about the importance of time. What is it that you're wanting to say to all of us about time?*

## Message

“Time is of the essence. It’s essential that you monitor your time, that you manage your time, because time will begin to disappear as the events of life encroach upon you and envelop you. You’ll see time disappear ‘down the tube’, as it were. It will just ‘evaporate’. Your lives will become increasingly jam-packed full. There’ll be so many concerns and distractions that you’ll not find time to get everything done that you need to get done.

It’s critical, as changes proceed,<sup>1</sup> in the world around you and in the Kingdom, that your focus is on me and me alone. Cease looking to people – leaders, politicians, gurus, experts – and look to me. As you grow as a son you’ll be able to manage your time much better. Much better than today and the type of skill that you need for the future in handling time, will come from me. You’ve heard of those who can do things in half the time, because they draw from me, well, this is to be a common feature of my people.

Not only will I show you how to do things and when to do things so you are more efficient, I will also show you what to do and what not to do, so you can eliminate a lot of clutter and time wastage from your lives. I will also imbue you with the ability to do things rapidly, but that requires you to draw from me. You won’t be able to manufacture this speed from within yourselves, from your own abilities. It will have to come from the spiritual ‘tornado’ that I will place inside you that will whirr and spin like a dynamo to produce the speed that you need. This sounds fanciful, I know, but this is how our sons are supposed to operate supernaturally.

Speaking of supernatural, I’m raising up my people to operate like I did. And as the common expression says, you’ll become “naturally supernatural”. I want this for all my people, not just the professionals, those who have businesses that have a ‘tag’<sup>2</sup> that says they work for me. This is for the lowliest to the highest. You’re all my Father’s sons, and it’s available to all of you. Think about it. I’m leading you down a path of what appears today to be extreme supernatural ability, but in the future it will be commonplace – it will be normal.

If you align with me, listen to me. Because you’re hearing clearly with your spirit and you allow me to speak to you, you allow me to retrain you, de-program you and reprogram you, you will begin to mature spiritually. You’ll then enter into the functionality that I have for you. It’s not a secret. It’s always been there, but it hasn’t been taken up by your predecessors to a large extent. I’m opening a doorway for you so you can move in that direction. Again, it’s your choice [to move that way]<sup>3</sup>, always your choice.

So learn to manage your time. **I** will lead you into the supernatural ability to manage your time. It’ll be like I’m doing it all for you. And, by the way, that’s what I’m wanting to do. If you allow me to fully take control of your lives, I’ll be able to work through you, and you’ll become more efficient – not only with time, but in your productivity. But I want you to focus on time at the moment. Think about how you spend your time, how you proportion the time that you have, among the activities that you engage in every day.

This is not a time in this new era<sup>4</sup> of the Kingdom to be drifting along. You need to manage your lives – that’s part of your sonship. Take charge, take responsibility, administrate what comes your way, and grow up into your sonship. Father and I are looking forward to seeing our children (men, women, young and old), operating as I did, when I was on Earth as a human being. I managed my time; I was about Father’s business; I had my assignments to do; and they were my priority.

So, one of the places you can start, to manage your time better, is to begin properly portioning your time for the things that really matter. When it comes to relaxation, spend time relaxing with me, drawing life from me. That’s not a waste of time, it’s how your life is meant to be: drawing life from me, so I can live my life through you. You were created for that. More on this later.

4 – MESSAGE: “A New Era in the Kingdom?” (21-11-2018)

Begin to think critically about how you use time. That's the starting point. If you're listening to me, I'll show you how you can better use your time. It will cause you some distress as you do that because I'll put my finger on things you should eliminate, that you should not be doing, because it's hindering your work for me.

So, relax. Allow me to work through you and time will fly. That's a promise."

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like

prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia. Since 2017 CCOP has been expanded to function as a network of prophetic voices.
