*This article contains the spiritual facts (realities) I was given prophetically on the above date.  
These have been 'The Word' for me as they come from "the word of God" to me.  
The facts are on page one. The source quotes are on page 2, so it is clear where they came from.*

### **SOURCE FILE: "36b-This is a Pivotal Time That Will Change the States of Nations"**<sup>1</sup>

1. The current period of time is critical for all nations where changes will occur<sup>ii</sup>
2. Human events are being weighed by the King and administered in relation to his return at the end of history.<sup>iii</sup>
3. Individuals and nations will be led by our King down paths which may be beneficial or detrimental for them.<sup>iv</sup>
4. People's choices determine their paths which will set them on their course during End Times.<sup>v</sup>
5. Many will object to what happens to them and many with blame 'God', but it's their decisions, so they are to blame.<sup>vi</sup>
6. We determine our future by the decisions we make and each decision builds to create the over-arching impact.<sup>vii</sup>
7. Our autonomy and our position as planet managers that we were given at creation causes our decisions to be very impacting.<sup>viii</sup>
8. Our position as planetary rulers is abdicated by each of us, not just Adam, so Satan continues to rule the world (even if we don't know that this is our status in the spirit realm).<sup>ix</sup>
9. This is the period of time when the people of the Kingdom will operate as The Bride and be seen by the world for who they really are.<sup>x</sup>
10. Sons will be marvelled at as they operate in beauty and power.<sup>xi</sup>
11. There will be a remnant who will be totally committed to the King in love. They will be fully devoted and of a single mind with him and each other.<sup>xii</sup>
12. Everyone needs to be warned of the current spiritual situation, especially the lazy and the pleasure-seekers.<sup>xiii</sup>
13. The culmination of history is coming soon where the Kingdom is set up in full glory on the Earth and the King is seated in his rightful place as ruler of the Earth.<sup>xiv</sup>
14. When the King is present on the Earth, creation will respond to him as it was created to do.<sup>xv</sup>
15. It will be a time of great glory, but there's a lot of work that needs to be done before all that happens.<sup>xvi</sup>

ii – “This is a critical time – a pivotal time – that could (will) change the states of nations.”

iii – “I am weighing things in the balance now before I move to the next phase of my return.”

iv – “As I see things, I will lead people and nations down various paths to their future. Some will be ‘good’ and some will be ‘bad’.”

v – “It has been their choices that has determined their paths, but it is my overall picture of what is occurring (happening) that will set the end-time course for many in a set path.”

vi – “Many will object. Many will blame me. But, tell them this, “It has always been about their decisions”.”

vii – “They have determined their paths by the choices they made. They have determined their future and their destinies by the choices they made in the past. Every choice builds to make the picture of their future, whether it’s a person or a nation.”

viii – “It’s always been in their hands, never mine. I have given humanity the privilege of self-will and the position of rulers of this world.”

ix – “They have abdicated it to the enemy and to others, blaming not themselves, [but] blaming others for the predicaments that they find themselves in. I reiterate: it has always been the choices that men make because I have set them in rulership, even if they don't know it.”

x – “Yes, it’s time for my church, my end-time Bride, to rise up and be seen.”

xi – “She will be a marvel...but the Bride must and will rise in beauty and power in these Last Days.”

xii – “This remnant I have selected to be part of my plan because of their devotion and commitment to me. They have seen my plans and purposes as paramount, as more important and eternally significant than their own. They are my beloved ones who truly love me with all their hearts. There is no ‘forkedness’ in them, no double-mindedness or dual allegiances. They have committed themselves for eternity to my plans and purposes. Others will join them as they align with me...”

xiii – “Warn those who need warning. Warn the slack. Warn the lovers of pleasure.”

xiv – “I am coming and coming soon. Be sure of that. Nothing is more sure than my return to glory, my return to set up my Kingdom in full righteousness on the Earth...The whole Earth will be my kingly domain and it will respond to my presence”

xv – “[T]he whole Earth will be my kingly domain and it will respond to my presence. Not only is creation waiting for the appearance of the sons of God, creation is also waiting for my return. It responded to me when I walked the Earth as Jesus of Nazareth and it will do so again, but in greater measure. In fact, it will be in full measure. As its Creator, it will become what I intended it to be.”

xvi – “Yes, all will be well in the end. It will be a glorious time, but there is much to be done before that happens.”
