*This article contains the spiritual facts (realities) I was given prophetically on the above date.  
These have been 'The Word' for me as they come from "the word of God" to me.  
The facts are on page one. The source quotes are on page 2, so it is clear where they came from.*

## **SOURCE FILE: "37-Always See Me in Charge, Not the Enemy"**<sup>1</sup>

1. The strange ways I see Father working in my life are because his ways are strange to me.<sup>ii</sup>
2. Father operates outside of time, so he does things that are not natural.<sup>iii</sup>
3. Father (the Trinity) is in charge of the natural realm, so as supreme beings they don't have to comply with our desires or fit in with our ways of thinking.<sup>iv</sup>
4. I need to elevate my thinking and understanding so I see things his way, then I'll be able to relax and let him do what he needs to do.<sup>v</sup>
5. I will be surprised what I see happening when I understand the ways in which he works.<sup>vi</sup>
6. When I think he's working on my life in the background, he's actually in the foreground because the spirit realm is the real realm.<sup>vii</sup>
7. I'll make better spiritual progress when I begin to see things his way.<sup>viii</sup>
8. We need to change the way we see events, otherwise they always seem like problems which will overcome us. If we don't change, it will stunt our growth and maturity.<sup>ix</sup>
9. Many are being 'taken out' by the enemy through attributing all negative situations and circumstances to him because they don't understand Father's ways. He's always in charge.<sup>x</sup>
10. When we submit to Father's leadership, the pressures of life fade away and we'll move into our proper freedom.<sup>xi</sup>
11. Don't give the enemy the credence of being in charge all the time.<sup>xii</sup>
12. Satan is allowed to remain in existence and impact our lives for Father's purposes, not his own, as we usually think.<sup>xiii</sup>

ii – “Have you wondered how I work with you in ways that seem strange. They aren’t strange, it’s more that you’re strange to my ways. See, this is where we need to move in your understanding.”

iii – “You need to comprehend my ways of doing things. I’m outside of time and therefore not limited by it.”

iv – “I’m also in charge so there’s no need for me to comply with your desires or the human way of thinking.”

v – “Come up to my ways. Elevate yourself and relax in how I work”

vi – “You will be surprised by what you see happen. It’s not always a miracle.”

vii – “It’s not always approved by you, but yes, it’s me working for you in the background. Well, actually, it’s in the foreground from my perspective – you’re in the background.”

viii – “Get used to seeing through my eyes of understanding and you’ll progress a lot quicker.”

ix – “Like XXXX who is in a state of confusion, my servants, my warriors need to change the way they think. They need to change the way they approach events. If they do it in a way that ‘everything is a problem’, they will be ‘snowed under’ with the pressure and with depression at the very things that are meant to elevate them, to cause them to rise in victory and maturity.”

x – “Yes! And I say yes because many are being taken out because they don’t comprehend my ways. They accuse the enemy of working instead of seeing me in charge. Even when they make mistakes and open themselves up to his attacks, I’m still in charge. I have always been in charge.”

xi – “Once the enemy is out of the way they will have total freedom, but in the meantime, submit to me and my leadership and the pressures of life will fade.”

xii – “Always see me in charge. Don’t give the enemy the upper hand by giving him the credence of being in charge.”

xiii – “I have him here for my purposes, not his. He’s not a puppet, but [he] works with the machinery of life and time for my ends. That may seem strange, but I’m always in charge. Look to me, not at him.”
