

# “You Are My Offspring”

I’ve waited a long time to receive a message where Father formalizes our sonship in strong words that are undeniably striking. Here’s one of those messages:

*“Walk strong. You are My offspring and you have been given everything you need to walk in the Spirit with the strength and assurance of My presence. I am not a million miles away. I am as close as your breath.”<sup>1</sup>*

In light of the training we’re now receiving in our kingship, “you are my offspring” and “walk strong” are resounding statements that dramatically illustrate who we are.

As I read it again, I can easily picture a king saying these same words to a prince so he knew who he really was. “Stand tall in who you are, and defeat everything that rises against you, because you are the son of a king and a rightful heir” is what I imagine the king is wanting to impart to the prince.

We need to take Father’s words and take heart that we have a powerful identity and a wonderful future as princes under the King of Kings.

We must learn to operate in our kingship – it’s our destiny.
