

# Confirmation on Personal Interactions

I had coffee this morning with Tien Nguyen<sup>1</sup> who had just returned from her second weekend of revival meetings<sup>2</sup> with Noa Muranyi.<sup>3</sup> They'd been a team from Canberra who'd run meetings among islanders in Brisbane. She recounted many things that happened in the meetings, but I was interested in what our King had taught her while she was there, and subsequently.

While talking, I shared with her that of particular interest was what he had showed her about interacting with others in the many setting we found ourselves in. I was pleased because what she shared was a lot of what I'd been taught over the past 5 years or so, as Father trained me in my sonship. In other words, what she related to me was confirmation that I wasn't "weird", "wacky" or "off the planet", and that I'd heard correctly.

Here's the points on the matter from my own training. I was able to 'tick off' many of these from what has been implanted in Tien's spirit:

- Small numbers is to be our mindset
- Individuals are our prime focus
- Explain things as the Spirit leads
- Speak to the person's spirit even though they will pick much of it up with their mind
- Don't waste time arguing
- Fellowship wherever you are able to
- Look to connect with like-minded people
- Always seek to speak on spiritual matters wherever possible, but not exclusively
- Small-talk has limited value
- Know when not to talk
- Know when to stop talking
- Be content to remain silent
- Don't allow family ties to compel you to do things or say things
- Deal with any verbal attacks with the truth, but with love and grace, don't shy away from it
