

More on this Current Time in the Kingdom

(May 2021)

Following on from the prophetic insight I was given concerning the current season we are in,¹ a time when Forerunners are leading the vanguard for the restoration of all things, this is an update. More information is being received to cement this time in our understanding and to equip us with the knowledge we need to move forward without deviation. There will be glory rising alongside the rise of darkness, so we must focus on where we are going and make sure we are aligning with Heaven every step of the way. Read on!

KINGDOM MESSAGES

Marsha Burns

(★ prophetic downloads recorded in May 2021)

“In the process of transformation you will be surprised that even small adjustments will reap huge rewards when you walk in Spirit. This is a time when spiritual sensitivity is everything. Do nothing apart from My leading. Every step counts.”²

“You are chosen to be an example of My goodness and to demonstrate the kingdom. How will others find Me unless they perceive My presence in you? It is not enough to just believe that I exist. To really believe is to clearly show, through your relationship with Me, the existence of spiritual reality. Allow My Spirit to manifest in and through you.”³

“If you will release yourself completely to Me I will transport you above and beyond physical restraint to find incredible spiritual freedom. I will propel you beyond natural boundaries and limitations to experience a supernatural existence. Let go and let Me move you.”⁴

Brian Simmons

“The season of God’s mighty power has arrived! A new day has dawned, and with it emerges a new breed of Believers. The torch of truth will be carried in the hands of this generation. Mighty ones are rising with grace in their hearts to do His bidding, filled with humility in their lifestyle and truth burning in their bones. This is the “Joshua generation”!”⁵

“There is a storm coming, and it will get the world's attention. In this storm, there is cleansing, exposure, awakening, unrest and a divine reset...”

It is the responsibility of the church, not the government, schools or any other organization, to change our environment using the spiritual weapons God has given us. We are no longer going to linger inside of a church building, but we are being launched into this world to bring life, hope and rescue to those trapped in deep darkness.

The church is changing, and here are some things we can expect to see in the "face of the changing church".

When we declare, proclaim, advance and take ground for God and His kingdom, His authority is felt by all. What He says, we say, and the God-given declarations fill the air with power, arresting the attention of all who hear them. When these declarations from heaven are spoken, things change...

God is sending us into places where it may not seem safe...

Understanding that He will protect us and bless us in our going out and coming in gives us this supernatural boldness to accomplish His mission and assignment for us as we go into all the world and preach the gospel to everyone. He gives us language to use that is understandable to the hearer and opens the hearts of those who are hardened to listen to life words that produce a life change in them. We are His kids, and we were never designed to live broken and apart from Him.

In our natural lives, we don't possess this kind of love just within ourselves. God's supernatural love flows out of us as we move about this world, healing sick people, working miracles, giving direction and hope to those who are walking in darkness. This love never fails. This kind of supernatural love transforms us and literally anyone who comes in contact with it. There is no shame or condemnation in this love; there is no judgment or ambition. When this love flows through us, we again realize that we are absolutely partakers of a divine nature, who is God living in us, moving through us...

[W]e are stepping into a time of unusual miracles and unseen exploits that haven't even entered into our minds and hearts...

We've already crossed over into this new era, and God's plans will succeed!”⁶

“God has been speaking clearly of the season of massive change, massive world cleansing and the new world governance of kingdom of God reality coming forth on earth.

He has been making it clear that it is all the work of Christ Jesus reigning in and through His chosen people, that is establishing God's kingdom on earth.

Hopefully, we are all seeing that there is no turning back to life in this world as we had been experiencing it.

Gone forever is the lukewarm practice of casually adding God or church into our lives as a part of our lives, and at the same time seeking personal wellbeing and pleasure by filling our lives with carnal thoughts and activities.

This is not about legalism nor is it about greasy grace.

6 – “This Coming Storm Will Attract the World's Attention”

www.charismamag.com/blogs/prophetic-insight/48942-prophecy-the-coming-storm-will-definitely-attract-the-world-s-attention

It is about the LIFE and blessings of you and your family, tribe or nation living in the reality of the kingdom of God now...

This is not about heaven or hell someday. This is not something figurative or ethereal. This is not sometime way off in the future. It is not something someone will have to go away and get for us. This is not somewhere far away or over here or over there.

This is happening now every day in your life today! ...

Step out from our past life of making decisions based upon our natural-man understandings. Leave behind who we were and loose our past life. Take it all to the altar of God and leave it there. Allow God by the Holy Spirit to form Jesus' resurrection life of love, power and wisdom within us.

Step out and away from lukewarm religious order with its limiting systems of doubt and unbelief from traditions of men and doctrines of demons. Step out of dead routine religious church services that have only a form of godliness outside but inside are filled with dead men's bones.⁷

Get out and away from educational systems of mind crafting that turn you away from the reality of the kingdom of God that is in you by the Holy Spirit.

Step out of the darkness of seeking to satisfy self with carnal pleasure seeking.

Do not be concerned about the loss of anything that you left on the altar. He will give back to you anything that is truly in His great plan for your life.

Step up into life in the higher calling of falling in love with God. Move up to the higher place of Spirit life as more than a conqueror over all the work of the enemy. Step up into praise and worship worthy of the glory of God. Pray and speak the word of God with BOLDNESS of LOVE. Move upward above this world to life in the heavenlies.

Step into oneness with God. Fall in love with God. Enter into intimate love covenant with God in Christ Jesus. Step into the manifest presence of God and be consumed by His love for you. Hold back nothing. Step into fervent all out praising and worshiping God with all your strength and all your heart. Step into supernatural flow of God and all things are possible.

Step into gatherings of like-minded believers, eat together, pray together and encourage one another in the Lord. Seek the kingdom of God and His righteousness together. Love one another with the pure holy love of God.

As you go about life let the love of God flow through you to the one in front of you and those around you.

As God leads, invite people to your home gatherings for food, conversation and prayer. Relationships will develop and sharing need will lead to prayer and miracles of healing in the atmosphere of the manifest presence of God. Thus the world will be changed as all things work together for the reality of the kingdom of God on earth as it is in heaven."⁸

"... "Beloved, the prophetic scribes I have sent will administrate their unique callings from these five areas in this hour with authority, power, understanding and strength."

Those areas are as follows:

- *From the light: As prophetic scribes, we are a beacon for those who are led of the Spirit... Many scribes in this realm see or perceive what others need to hear and produce solutions from this realm.*

7 – Matthew 23:27; 2 Corinthians 6:16:18

8 – "Arise, Step Out, Step Up, Step Into"

www.openheaven.com/2021/05/07/arise-step-out-step-up-step-into-ron-mcgatlin

- *From the fire: Many prophetic scribes operate in a profound intensity and spontaneity. They follow the cloud of the Spirit exclusively with their release—only moving as He commands and by internal spiritual pressure.*
- *From the wind: Some prophetic scribes operate in the realm of witty ideas, sudden inspiration and instant words of wisdom or knowledge...They come with an immediate solution and exit just as quickly. They know what other people need for their projects and assignments—on the spot.*
- *From the water: Some prophetic scribes operate from an immersive dimension. They take one idea and constantly and consistently expand its realm, equally prophetic and apostolic. Understanding, or a precise line of understanding, is what drives them in the kingdom...*
- *From the earth: Some prophetic scribes operate from an extremely practical realm—dealing with issues of life and responsibility. They are equipped to navigate issues "under the sun" by the Spirit. These scribes are excellent in key areas of administration where they have been astutely trained, equipped...They simply know what to do—and have instant knowing concerning navigating natural things natural from a spiritual high place.”⁹*

(★ extract from a prophetic article published on 17-5-2021)

“[T]he Lord spoke to me and said, "I'm looking for kingdom lightning rods". After several days of prayer and study, I received revelation about what the Lord meant by this.

In the natural, a lightning rod absorbs the shock and intense heat that a bolt of lightning releases when it strikes. A natural lightning rod protects the buildings or structures around it from being destroyed by the lightning when it hits. I believe the Lord is looking for spiritual lightning rods that can be trusted to receive the revelation and insight that God wants to release within the earth without being destroyed.

In my many years of ministry, I have encountered many gifted and passionate people who lack integrity or spiritual maturity. When these individuals are prematurely promoted or elevated, they are often derailed because they lack the character or internal fortitude to maintain the position, they may find themselves in. God does not want to release His power to someone that cannot handle it rightly.

This is why the Lord is looking for lightning rods in this hour. God is raising up those who are spiritually mature, full of humility and have pure hearts to be able to use them as lightning rods in this season.

God has so much power, revelation and insight that He wants to release into the earth but He will send it through His kingdom lightning rods. Those who are prepared and equipped to carry and release the power and revelation that God releases will be like lightning rods planted in regions and different spheres of influence to advance the kingdom of God with great humility.

Someone who is a kingdom lightning rod will be able to act as a conduit for what God releases into the earth without being prideful or selfish.”¹⁰

“The Lord says, "Within this season, year and decade, I, the sovereign Lord, am unsheathing My sword. I shall commence to divide (to separate into two or more parts, areas or groups) for the purpose of identifying the authentic from the counterfeit, allies from adversaries (both foreign and domestic), guardians from perpetrators, law-abiding kingdom citizens from law breakers and gatekeepers from gate

destroyers.

"I, the Lord, am employing the 'cutting weapon' with a vengeance. My intent is to expose (to leave without shelter or defense), uncover (make known to the public information that was previously known only to a few people or that was meant to be kept a secret), and unearth (to dig up; bring to light) all internal enemies of the Lord Jesus Christ's church. This unsheathing of the sword, this employing of the cutting weapon, will recalibrate and realign My Body with the sovereign God's will established before the foundations of the world."

*God says retribution (a dispensing of punishment) is coming at large to the church."*¹¹

Laurence Smart

(★ Message recorded in his prophetic journal on December 2016 and released on 30-5-2021)

"Critical times – that's what I want to talk to you about this morning. I have called you here to instruct you with some important information that I want you to disseminate. This is critical, so it must go out to all members.

All I'm wanting is compliance. I want my sons to align with me by complying with my word to them. Is that too much to ask? Of course it isn't. The bulk of them are busy with their own business and don't realise the importance of the time they are in. They treat my imperatives and warnings to them as a 'joke'. That's the way I feel about it. It's like they 'slap me in the face' with their disgust for what I have been asking them to do. They do not realise that history is like a jigsaw puzzle where all the parts have to be in their right place for the whole outcome to be achieved.

Yes, these are critically important times, but my people are asleep. They haven't received the impact of what I've been confirming and warning them of. I have sounded the alarm on many occasions for them individually, but the cares of the 'world' and their own thoughts have deadened the impact I was wanting to make in them. Can't they see beyond themselves? Of course they can, but they refuse. They have hardened their hearts towards me in many ways – even you¹².

This is a time of total devotion to me and my purposes. The time for holidays and ease are past. We're in preparation mode, but my people are in pleasure-&-busyness mode. The two can't exist together if my plans and purposes are to come to pass in this nation. They are my driving force, but the force has gone out of them. How can I take over the kingdom of darkness and implement my will if my soldiers and workers have abandoned me? Yes, abandoned me. They have chased after other lovers and interests and left me 'high & dry' without a team. Yes, this is drastic! Do you see it?

I call my people today, this one last time, to align with me in my work in this nation. If they will not hear me and walk the path with me, I will find those who will. I can raise any army of workers and soldiers that I like. I choose to use those who have given their allegiance to me, but I will create a new workforce if I'm rejected by them. "Rejection. That's harsh", you say. Well, yes, it is harsh, but the situation I find myself in is harsh – not my words towards you all.

There is so much rejection in the hearts of the people in this nation and yet they operate through and by rejection. I don't reject you all, but I have to move forward with the plans Father has set in place. I can only do that with those who completely work with me. Remember, if you don't work with me you actually are a hindrance and work against me.

Wake up! Please! My love for you is strong, but my wisdom will not allow me to be blind to purposes and processes.

Hear me, my loved ones. I am calling you – drawing you to myself so we can work in unison. Cast off your own plans, purposes and set ways, and draw close to me in love and commitment. Commit yourself

12 – Referring to himself

to helping me achieve the plans that are in place for your future as a nation. Yes, as a nation. Forget about yourself for a change and begin to think nationally. Get the 'big picture' that I have and do your part in partnership with me.

This is a great time for you to be alive. Don't squander it on yourself and use it up vainly. There's much to do and so much is yet to be accomplished.

I love you strongly. Return that love in strength, and support the path I have for your nation. It all starts with your alignment with me.”¹³
