*This article contains the spiritual facts (realities) I was given prophetically on the above date.  
These have been 'The Word' for me as they come from "the word of God" to me.  
The facts are on page one. The source quotes are on page 2, so it is clear where they came from.*

ii – “Yes, my Kingdom is advancing in this nation, but there is a lot that they have to go through before my plans of blessing can come to fruition.”

iii – “The future of your nation is not about how much prayer and fasting has taken place. No.”

iv – “It is about the hearts and minds of the people. Their thoughts and intents are what I am looking at. It’s there I’m looking for change in the right direction. Yes, prayer and fasting are essential for the nation, but that’s not where my judgements take place...It’s the heart I’m looking at and always have.”

v – “Trying to appease me with prayer and fasting is ill-conceived and of poor intent. I am above being manipulated or controlled by those who do what they do to avert danger in the nation.”

vi – “Outward signs and compliance with religious activity do not move me into action.”

vii – “I am always active, always planning, always on the move. Australia needs to move with me, not along their own track based on their desires for change...Align with me, Australia. Change your hearts. Change your minds.”

viii – “Do you not see where I’m coming from? Do you not see how foolish this nation has been? It’s like petting a lion at the zoo with no fear, oblivious of the potential within that beast. Yes, I am who I am, and I won’t be changed by those who want me to do their bidding. How ridiculous is that idea. How can one possibly imagine that I, the Lord God Almighty, can be bought or controlled. How futile are the ideas and plans of those who work this way. It may make them feel good within themselves, but it is FUTILE”

ix – “Come and sit with me awhile. Just come into my presence and let me speak to you, however you can hear my Spirit communicate with you.”

x – “I will place in you what I want you to understand. I will change your heart if you let me. This and this alone is how you can transform this nation and have it come into alignment with me – that is, how I think and where I am taking you.”

xi – “Australia, wake up. Stop drifting along, being covertly manipulated by others who know their plans and are seeing them come to pass. Don’t you know you are in a ‘chess game’, that you are being manipulated like dumb chess pieces? Those who are the enemy’s workers are having a ‘field day’ with this nation. They rejoice with what they have achieved and are planning at this very moment to circumvent my plans. Can’t you see this? Open your eyes – your spiritual eyes as well – and take a good look.”

xii – “Let my Spirit point out what you are not seeing, what you have missed all this time. You will be amazed. You will be shocked by what is uncovered for you.”

xiii – “I have called you to linger with me and that’s still my call to this nation.”

xiv – “I am your God. I am your Creator. I am the Omnipotent One whose plans are the best to see come to pass. History clearly shows what has happened to all nations, empires and movements. They are fleeting in comparison with eternity. They are fragile and ultimately prone to destruction.”

xv – “My Kingdom, however, does not and will not fit into this pattern. My Kingdom is eternal and it will fill the whole Earth. The delays for this to happen continue as mankind does ‘their own thing’ in nation after nation, century after century.”

xvi – “It is time to wake up to the Kingdom of mine, Australia. It’s here already, but it needs to manifest fully so that all can see it. ”

xvii – “Will you align with me, each one of you, personally? This move, this simple move, is all that is needed to see my plans for Australia start to come into place.”

xviii – “The future is bright, Australia, so join with me and my Kingdom sons as we transform this nation to become what I want it to be.”
