

# Evaluate Your Spiritual Condition

Each of us is responsible to our King because he gave us autonomy to make decisions as sons. Quite simply, that means we must be in control of ourselves so we act and speak responsibly. (That's similar to what we taught our children so they could grow up as responsible citizens.)

If we actually honour the King for who he is (the Creator and King of Kings), then it goes without saying that we do what pleases him out of that honour. If we don't, we're fakes. We can't say one thing and do another, that's being "double-minded".

Sons are meant to be totally committed, which is why it's wise to keep checking ourselves to see how we align with him.

Not only is it wise to check ourselves, but it's also an instruction from him. Check this out:

*"Evaluate where you have been, where you are now, and where you are headed. **The most important element of your evaluation is your spiritual condition.** Are you continuing to grow? Are you maintaining? Or have you lost ground? Set your mind and heart to make necessary corrections in your focus and intentions."*<sup>1</sup>

Notice that he instructs us to check how our spiritual growth and development (our maturity) is going. Yes, we're responsible to align with him in every way, and that means we're supposed to be maturing as sons.

Actually, we'll never reach our destiny if we don't mature in our sonship and spirituality. We waste our potential, in other words.

Sobering?
