

# The Future the Way I See It

When the Spirit pulled my wife and I out of the church system into the house church movement in the mid 1980s, I became aware that the move was a critical one. I began to have deposited in my spirit an understanding of the future, one of which was the shift from institutionalised meetings in dedicated buildings to local communities meeting in homes. I believed at that time that persecution against Christians in the future would see it essential that believers had a model to support their disparate new lives.

Since that time last century, the Spirit has deposited much in my spirit, some of which is preparation for the future. I haven't been personally given timeframes or dates for them, however, the plans of our King for his people and his Kingdom have been slowly materialising. These have been confirmed by others, but I have been careful (through bad experiences) to filter out the future which is presented by enthusiastic, super-spiritual Christians.

Here are the things about the future that I have in my spirit:

- The sons of the most powerful being in existence will manifest for the world to see. They will operate like Jesus did.
- These manifest sons will be a remnant of believers – a small section of those who say they follow Jesus.
- Glory will be displayed by these remnant sons.
- ‘Nobodies’ will be used for a mighty move of the Kingdom as humility rather than self-promotion will be ‘the order of the day’ – the prerequisite to be used powerfully.
- Community will be the focus, not religion.
- A rise of evil (“darkness”) in response to the manifestation of sons in the Earth will match what the sons are manifesting and achieving, but will be of the opposite spirit.
- There will be a massive inflow of people into the Kingdom as they are touched by Kingdom sons who are operating in the power of Heaven and the authority of their sonship.
- These ‘newbies’ must be mentored, fathered or mothered and trained in Kingdom living.
- Sons will greatly impact the 7 mountains of their society, more in some locations than others.
- “Sheep” nations and states will develop around the world.
- “Goshen” states, cities, towns and properties will develop around the world.
- The Restoration of All Things will be the culmination of the expansion of the Kingdom on Earth.

Some recent confirmations have come to light. The following is from Anne Shikuh:

*“And there will be a **mighty move of God**, a global Revival. This Revival will not die as others have in the past, but it move from nation to nation in wave like motion, cleansing the Body of Christ and bringing in the final harvest towards the close of this age.*

*This Revival will be an awakening of the sons of God to their identity, which shall result in a mighty army arising in the power of the Holy Spirit to **take over regions and territories for the Kingdom** of God.*

*Denominational walls will be broken down. There will be instant, mass healings, mass conversions (salvation), as well as many other **miracles, signs and wonders** wrought by this army.*

*This army will consist of every race, every age group...without discrimination, for God shall pour out His Spirit upon ALL FLESH...*

*The Manifest Presence of God will abide with us as Heaven touches earth and as the sons of God **recreate Heaven on earth**, creating the culture, releasing the atmosphere and manifesting the principles of Heaven upon the earth on **all the 7 mountains of influence**.*

*This Revival will restore the Church back to the book of Acts. The Body of Christ will become a movement,*

**a living organism** and not a static, religious institution.

Key in this Revival will be Davids – "**nobodies**", inexperienced and hitherto unknown members of the Body of Christ. They will seem to appear from nowhere, but in reality, God has been preparing them, some for years, in isolation and in the wilderness. **Their focus will be on raising, mentoring, training and releasing the army.**"<sup>1</sup>

Bonnie Jones' précis of what she's been shown about the future also concurs with quite a lot of what I've been given. Some of her points are:

- The breath of God is coming soon to awaken the Body of Christ. We need to jump on board with him.
- The [true] Bride's eyes are wide open to see what our King is doing and what he sees.
- We've been called as midwives to birth a movement to be one with him and to walk as he wants us to.
- The midwives won't be one person. It'll be the whole Body who's involved.
- The movement won't abort as revivals have in the past, because there will be unity this time. No one will want to own the anointing or the movement.
- Those who are moving with our King will know his thoughts and his will because they're becoming one with him.
- When we hear from him with our spiritual ears we'll know it's the true "Word of God".
- We're going to impact people with his power, love and joy so they change sides and join us.
- Power, holy fire and glory will come from us because we don't want any 'mixture' from the soul.
- The choice we make is to surrender our soul to our spirit and our spirit to Holy Spirit.
- There's real perversion coming on the world because Satan isn't happy with this movement that's building. He'll try to pervert the movement as well.
- Impact will come more from one-on-one interactions than the old 'tent meeting', revival meetings.
- Those coming into the Kingdom need to be baptised in the Holy Spirit, disciplined and taught.
- There'll be a lot more home meetings for groups.
- We'll walk in unity with the Trinity and each other, even though we won't always agree.
- The awakening is already here.

**NOTE:** I also need to accept that "suddenlies" will become commonplace as changes in people and society happen all of a sudden, with some appearing randomly. I have to change to accept this concept because many are speaking prophetically about them.<sup>2</sup> This cannot be a fake notion.

**We recently received information that these events are now opening up.**<sup>3</sup>
