

PROPHETIC JOURNAL ENTRY: Not a Puppet

My son, you are struggling needlessly. Haven't you learnt to trust me? It's the lack of trust that keeps you unfit to progress as the training you are under needs your compliance with absolute trust as much as anything else. Yes, absolute trust: you know, walking-on-water type of trust. You don't have this yet because your soul is in charge.

Loose your soul from being your master and let me be your Master of Ceremonies and control your life from here. You're not a puppet, and I don't want you to be one, but my control of your being is essential for you to achieve your full potential. It's only me and you bonded together in synergy that will allow everything planned for you to come into effect.

Relax and let me be in the driver's seat. Yes, I am in some areas, but not all. You can't be in control and expect me to be able to achieve what I want to achieve. You pull away from me and against me when you are in charge and in control. Surrender ALL your will to me so I can raise you up. Some of it isn't good enough, not effectual enough.

That's all for today. Implement these and make the changes.
