By now, if  
you haven't  
discarded everything that  
you've been taught about salvation  
and asked Father to explain it to you, then  
you really aren't ready to go any  
further in this  
investigation

So far, we've dealt with quite a number of issues which could baulk us as we change our understanding of what salvation really is.

It's time to look at it through the eyes of the one who put it in place...

# FATHER

This person “IS LOVE”, so we should expect to see a radical difference between his view and what we’ve been taught in the church system

His love is not gooey human love.

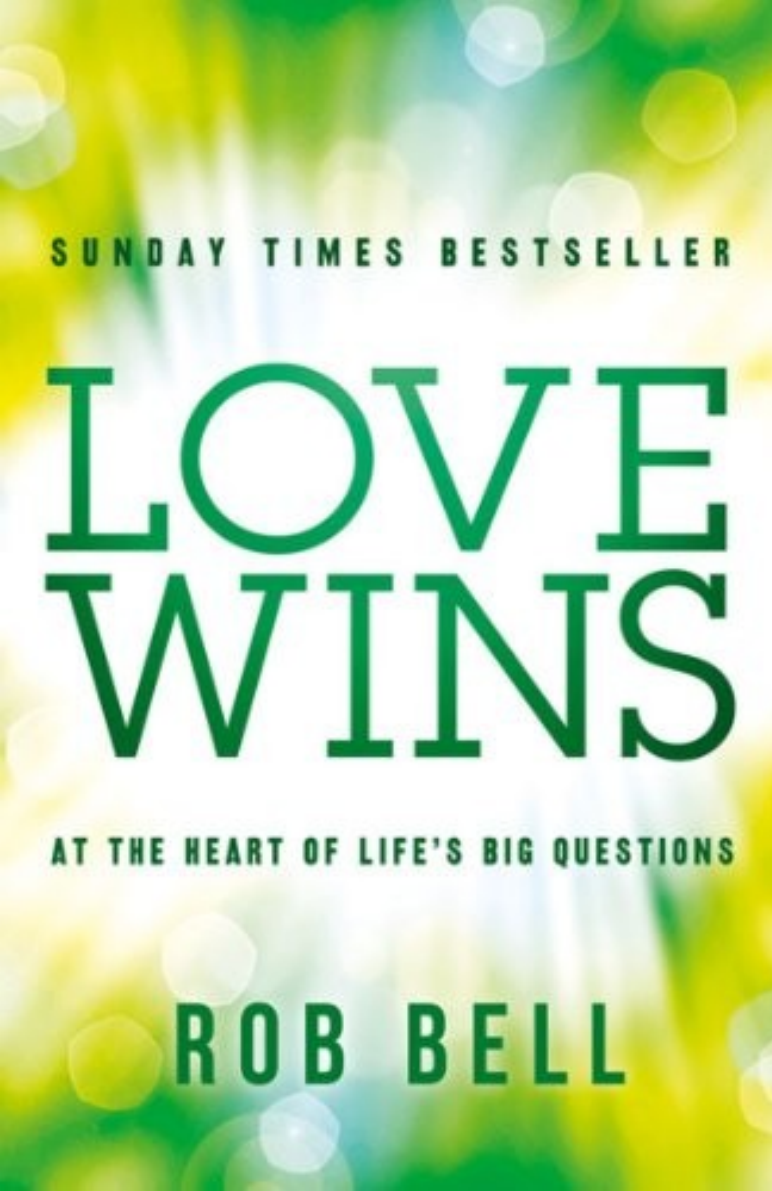

It's powerful love that desires good to come out of all the works of evil.

Rob Bell will now describe salvation from the perspective of Father's character.

He'll use a lot of scriptures to show us that the facts have been there for us to see all along, but our church indoctrination has hidden it from us.
