

# The Road Ahead

(A conversational prophetic message recorded on the 17<sup>th</sup> August 2021)

**Background:** *This message was received while waiting to hear what our King wanted to say to his people in Australia.*

## Message

“I said the ‘road ahead’ would be dark.<sup>1</sup> Did you believe me? Or, did you rely on your own observations and your own thoughts?

See, I tell you the truth. I am the source of truth. It behoves<sup>2</sup> you to continue to listen to me. Seek me out. Ask me questions. Learn to ask the right questions. Learn to hear. Learn to implement what I tell you, and you’ll be kept in my hands.

There’s more darkness ahead. It will not evaporate, it will not dissipate like the mist. It will hang around in various forms. So, be warned. Don’t get complacent. Don’t look at the natural, because the natural can confuse you and trick you.

Listen to me: If you align your heart with me, and give me all your affection, you’ll stay close to me. We’ll be in constant communication, Spirit-to-spirit. I’ll release things to your spirit and to your mind. Don’t neglect some of the inspirations and thoughts that appear in your mind. Learn to discern what your mind encounters, as it’s not always from your base nature<sup>3</sup>. It’s not always from your emotions or from the enemy. Many have missed my inspirations and my directions that I’ve given them, because they gave them no credence.

Spiritual sight<sup>4</sup> and spiritual hearing are two essential capacities of my sons. Learn to use both. In the times ahead you’ll need to use those at a greater level than you ever imagined. To be kept safe; to be protected; to know where to go, what to say, who to connect with; all these things come from your spiritual senses.

As we’ve given you autonomy, and you’re beginning to desire to align with us, you need to go through a period of training so you can become more experienced in using your spiritual abilities and capabilities. I’m not just talking about your ‘ascension gifts’<sup>5</sup>, I’m referring to the normal, day-to-day communication and spiritual life you need to live. That’s because the real you is the spirit inside you, and it’s that with which we are communicating and working with. Your body is your connection to the physical realm, but it’s your spirit that’s the real you. A better understanding of that and a better comprehension of its function, will see you grow and develop at a faster rate and remove a lot of the hindrances and blockages that you’ve placed in your life.

Yes, there is glory ahead. I will be displaying the glory in my sons<sup>6</sup> – the various types of glory – for all the world to see, but it’s not the exact time yet. There’s a lot of maturing you’ll have to go through to get to the point where I can release my glory through you, and trust you with it.

I remind you, that the preparation for this is nothing that you can do. You can’t focus on your glory; you can’t work at your glory. Your glory is displayed in proportion to your connection with me and your alignment with me and where I’m taking you, and what I’m planning to do.

So, just relax. Enjoy the fact that you are being prepared for great times ahead.<sup>7</sup> Although the road ahead may be dark, the road ahead is also bright. Keep your focus on that “bright” component, because that’s you. The darkness is in the world around you. This darkness stems from the Kingdom of Darkness, but you are the sons of Light. It’s your light that needs to dispel the darkness in the world. I don’t mean by evangelism and I don’t mean by street preaching. I mean living the life of a son, in connection with me, so I can work through you; so you can pour out my love and my compassion as you interact with others; and as you stand up and resist unrighteousness, in the right ways. These are the simple ways that light dispels darkness.

Hope, determination, and the rejection of fear and negativity, are other ways that light can be seen by those in the world around you, as it permeates the darkness from within you.

So, take hope, take courage, strengthen yourself, ‘steel’ yourself (as I’ve so often said), because you’re in a battle for the reclamation of creation in its entirety, not just for you and your family. That’s the bigger picture. Don’t let it overawe you. But, be clear about the big picture and determine to do your part, because it takes all the components of a mechanism to make a machine work. You, each one of you, are a small component in this BIG mechanism – The Restoration of All Things.<sup>8</sup>

*I’m excited.*

Enjoy the life you’re living. Don’t let negativity ‘bring you down’, but continue to work against it, as well as fear. Put them in their proper place – under your feet. Be that light and bring hope to those you connect with.”

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia. Since 2017 CCOP has been expanded to function as a network of prophetic voices.  
**NOTE:** We are independent and not members of any prophetic alliance. Holy Spirit is our leader and King Jesus is our head and oversight.
