

# The Kingdom is Always Positive

I've taught on this topic before, so it's not new. There's doom and gloom all around us, which seeps into our mind and soul.<sup>1</sup> At this present time, there's also his shaking of everything that needs shaking, including us.<sup>2</sup>

However, what I want you to see is that Father wants us to leave all negativity behind and view life in the Kingdom as positive, even while we live in the natural.

*“Refuse to get stuck in a rut of negative thinking. My message to you is one of positivity. It is one of redemption and promise, but you must get on board with what is eternal. Do not allow your outlook to be based on that which is temporary.”<sup>3</sup>*

*“I speak to those who have been thinking about your past with many regrets and condemnation. Those days are gone, and today is a new day. You can do nothing to change what was done by you or to you, so refuse to allow your thoughts to be negative. Do whatever it takes to stay current and set yourself to find hope even if only in small things.”<sup>4</sup>*

You see, negativity comes from our attitudes, thoughts and emotions – i.e. our mind and soul. This is a primary reason why we need to bring our spirit into the position of being the principal component of our being. As hard as that is, because of years and years submitting to our soul, it's the only way we can make spiritual progress once we get some distance along our road to maturity.

Concerning my mind and soul, Father said to me last month:<sup>5</sup>

*“You've come a long way in this, but there's still a long way to go. Consider what you do with your time and your life, and allow me to trim it down to what's vitally important [essential]. There's still much to weed out. I know you don't realise that, but it is the case. So, **yield to me, not your soul**, and let's get to work on it.*

*I greatly appreciate your time with me – your personal time in the mornings – and I know you do too. It's great to be together like that every day and for you to be strengthened and encouraged by it. However, deeper oneness is more than that, and that's where I want to take you. It's what you've asked for, so prepare yourself to go deeper. By that I mean, make yourself available and commit yourself to my hands to take you there. There's much blessing and rewards in this, so **don't let your mind and soul prevent it from taking place.**”<sup>6</sup>*

It takes effort, to enter into all that's available to us as sons. However, when we focus on what we don't have in the area of a perfect life, we'll drift into negativity and get stuck there. So, no regrets, no disappointments and no looking back.<sup>7</sup>

How about letting go of negativity and being more positive and make some progress?<sup>8</sup>

Laurence
