

# What Is This Season Of Increasingly Rapid Transition About?

by Ron McGatlin

*[OpenHeaven.com Digest August 6, 2021]*

In this season, America, the western world and at some level the entire world is involved in a transition of biblical proportions.

Change is a constant normal reality of life in this world. Most commonly the changes in our personal lives and that which is around us are moderate, gradual and sometimes predictable. Though there are certain huge events that instantly impact our lives with major change.

However, the increasingly rapid explosion of changing events now and just ahead of us are beyond anything experienced in the past two thousand years.

This is not a new thing. It is the culmination of the work of God in Christ Jesus restoring the world to the Kingdom of God, the Kingdom of heaven on Earth. It is a world war of darkness and unlove violently resisting the light and love of the Kingdom of God that is coming forth in this world.

## **THE WAR IS IN THE HEARTS OF MANKIND**

Life quality in the world is first formed in the hearts of mankind.

For understanding of this we need to answer the basic question, "What is the heart of man?"

Humans are a triune being, spirit, soul, and body.

Our soul is also triune, mind, will, and emotions.

Our spirit is who we are. We are spirit beings who live now in a body and have a soul.

## **THE HEART OF MAN IS OUR SPIRIT AND SOUL COMBINED.**

Our spirit relates to the spirit realm and our soul relates to the natural realm.

Our redeemed Spirit relates to the Spirit God creator realm of love and light and our soul relates to the natural created realm.

A natural unredeemed spirit relates to the spirit of unlove and darkness.

There can be a mixture of light and darkness in our soul but our spirit is either completely connected to light and love or to darkness and unlove, one or the other.

The unique design of man is for the purpose of bringing the order of God from heavenwar, hearts of men into the world.

However, an unredeemed man cannot receive the order of God's love and light and can receive only the order of unlove and darkness.<sup>1</sup>

That which man believes in his heart, whether from God or the devil, becomes the order that man speaks into the world to order the world. Whatever man believes in his heart and speaks into the world has authority to alter life conditions in the world whether from God or from the devil.<sup>2</sup>

Therefore, the war is in the hearts of mankind. That which rules in the hearts of man rules in the world.

The war is already won in the redemptive work of Christ Jesus at the cross.

Mankind is now awakening to the reality that the resurrected Christ Jesus has returned in the Holy Spirit and is now manifesting in the redeemed Spirit of those who believe.<sup>3</sup>

---

1 – 1 Corinthians 2

2 – Mark 11:23; Proverbs 18:21; Genesis 1:26-28

3 – 1 Corinthians 6:15,19; Romans 8:9-11

Christ in you is the positive expectation of the GLORY of God in this world.<sup>4</sup>

Mankind in Christ and Christ in us fully restores and connects us to the love, power, wisdom and knowledge of God in heaven.

It is heaven's love alive in us, redeeming and restoring the Kingdom of God on Earth, transforming the world to as it is in heaven.<sup>5</sup>

### **TRANSITION IS ABOUT TRANSFORMING THE WORLD**

First the transformation of the hearts of mankind to the Spirit of Christ Jesus, and then through the body and Bride of Christ into the world.

Thereby transforming the world into the New Jerusalem Bride City as the Garden of Eden lifestyle on Earth as it is in heaven. God with man and us with Him on Earth.<sup>6</sup>

This transformation, when completed will be the end of the work of Satan and all of his demons for at least a thousand years. The devil knows his end is near and is fighting with all that he can muster to deceive and create disbelief in the hearts of people.<sup>7</sup>

The lukewarmness of the church systems has allowed Satan lots of space to wreak havoc in the world through false teachings in all realms of education.

Higher education including secular and Christian universities and colleges was first gradually and cunningly infected. Now, all areas of influence in the world are affected by the deceptive training planted in the hearts of the young people at the highest levels of education.

This and other major efforts in every area of media that affects the minds and hearts of people has turned the hearts of multitudes to not believe in the Bible or in Christ Jesus as Lord, Savior, and King.

### **TRANSFORMING HEARTS**

God is faithful and His love never fails.

God is pouring out His love upon and within all who look to Him with a hungry heart. Our hardened hearts are melted as the holy fire of His love dissolves all within us that is not of His love.

The world of lack and need that once drove us to strive for more of this world is succumbing to the pure holy liquid fire of the love of God.

The beauty of holiness in the manifest presence of God in and among us is transforming us and our world.

### **THE ROARING FIRE OF GOD'S LOVE**

The same presence of God that is the beauty of holiness to those who love God is a roaring fire dissolving all unlove and darkness. Only those who love darkness and will not turn to God's pure holy love and light will suffer ultimate loss as unlove and darkness are removed from this world.

God is not willing that anyone should perish but that all should come quickly into His redemptive love and abundance of life.<sup>8</sup>

Multitudes are coming and are not perishing but being made alive in the life of love and glory in the manifest presence of God in and with us now in this life and for eternity.

### **THE LOVE CALL TO PRODIGALS**

Many precious sons and daughters of God have been overcome with the cunning lies of spirits of darkness posing as angels of light.<sup>9</sup>

---

4 – Colossians 1:26-27

5 – Matthew 6:10

6 – Revelation 21

7 – Revelation 29:1-3; Revelation 12:12

8 – 2 Peter 3:9

9 – 2 Corinthians 11:13-15

The deceived children are now trapped and diverted from the beauty of holiness in the pure holy love of God through intellectual trickery. The devil has used spiritual blunt force trauma and cunningly devised deceptions of false healing to deceive.

Evil spirits of darkness posing as angels of enlightenment using intellectual trickery of false love and false grace led them into a life of yielding to fleshly desires and a seared conscious believing that it was freedom from God.

These precious children of God are now trapped and diverted from the beauty of holiness in the pure holy love of God. They are set to miss the abundant life of the real love and glory of God in their lives. They are missing the love relationship of godly marriage and raising godly children. The fun of their folly will wear off and turn them against themselves and against God. These precious prodigals will have spent or thrown away the abundant life God had for them, at least for a season.

Many will now encounter the real love and true light of God and come humbly back into the arms of their Heavenly Father to finish their life bringing forth the reality of true love of the Kingdom of God coming forth on Earth. Real love will draw them back to the light.

The evil one that deceived them is worthy of the wrath of God for all that was stolen from the generations. Even those who have always followed his deadly ways will be made new if and when they also fall in love with God in Christ Jesus by the Holy Spirit.

Love never fails and His Kingdom never ends.
