

Australian Privacy & Biosecurity Acts. Document made by Just the Messenger

Important: Print this document out, **carry multiple copies on your person**, when asked to scan, **ask them to scan instead**. Leave the document behind. Share to your friends across Australia via this link :

<https://qrco.de/Aus-your-rights>. **Follow me on Telegram <https://t.me/justthemessenger>**

Please scan, so you know your rights and the rights of your customers, friends, family etc.

Importantly, under ALL circumstances Federal Govt Laws ALWAYS override state laws.

This code will take you to the Australian Privacy Act 1988 Sect 94H. It will tell you the following.

- No one can ask you to provide medical information - for example, an employer, or anyone, asking if you are vaccinated. They are not allowed to know anything about your personal health status.
- No one can track your movements, for example, signing into a café or restaurant, pub etc. Being required to have a tracking app.
- You cannot be refused entry to a business open to the public.
- **Breaches of this Act are punishable with 5 years imprisonment, or \$63,000 fine (300 penalty units).**
- Or go to: <https://qrco.de/privacyact>

The Australian Biosecurity Act Sect 60.

No person other than a human biosecurity officer under the authority of a biosecurity control order, can force you to submit to biosecurity measures, such as:

- Forced vaccination,
- Coerced or forced RT PCR tests.
- Quarantine, including social distancing, mask wearing.
-
- Or go to: <https://qrco.de/Sect60Biosec>

This code will take you to the Australian Biosecurity Act Sect 61. It will tell the very strict conditions under which a biosecurity control order may be issued. Including the following.

- The grounds under which it can be issued and by whom.
- The listed human disease.
- The symptoms (you must be symptomatic)
- The history of your contact with infected people, and more
- All enforcements have rights of review.
- Or go to: <https://qrco.de/Sec61biosec>

This code will take you to this document online. If you have a paper version of this document scan the code and you can download it as a Pdf or alternately, go to: <http://qrco.de/Aus-your-rights>
