

What's Going on in the Spirit Realm?

(A conversational prophetic message recorded on the 23rd September 2021)

Question: *Lord, what's going on in the spirit realm that we need to be fully aware of?*

Message

“That’s an important question, as the focus of my people has been on the world around them, with the pandemic, economics and climate issues. These are all distracting them from the work of the Kingdom.

I have released to my prophets, and to those who will hear, what’s going on in the spirit realm. I have released much that you must be aware of, so you can align with us. There are great changes taking place. These are gradual changes, but they will build. They will crescendo to see a release of my Spirit in a mighty way. Yes, there are many who have been waiting for this time, and that time is at hand. And again, [I tell you]¹ for my Spirit to be able to touch the lives of people in this nation and around the world, it requires my people to be in tune with me, to be in touch with me, to align with me, so we can work in partnership.

Remember, I work through you. You’re not just my ambassadors, representing me on the face of the Earth, you are my conduit, you are my loudspeakers, you are my representatives, so that what I desire to happen is happening, and should happen, through you. You must get away from the idea that I work like a puppeteer in the background. No, I use my people, because that’s why you were created, to work with me in the management of the natural realm. You must get away from the idea that the angels do all the work, while you sit around and allow it to happen. No, that’s not the way it is. In fact, that’s laziness.

When I sent the Children of Israel to the Promised Land, they had to work and fight and till the soil² and carry out tasks of burden. Sure, I miraculously worked in certain circumstances to remove blockages and the enemy, but they did all the work. There is a tendency to think that was Old Covenant, and under the New Covenant, I do all the work, but that’s not the case.

The Kingdom must expand throughout the whole of the Earth through my people working for me on the face of the Earth. That’s not about evangelism, it’s about impacting people, cities, nations and systems with Heaven, which my people carry with them, wherever they go. The Earth, the natural realm, the systems of the world and the lives of people are touched by us, through you. That’s how the Kingdom expands. And it’s not just through good works, it’s through you manifesting the Kingdom in your lives so that it touches people and releases them, just like I did when I walked on the Earth. I carried the Kingdom and I impacted people, I impacted lives, I impacted cities and I impacted nations.

You must, at this time, in this new era of the Kingdom, you must realise that you are to be in an intimate relationship with us, so you can do what I did. I didn’t do the things that I did because I am The Son. I did them as a human being through the power of the Holy Spirit and in relationship with my Father. You are no different. You have the spirit of a son of God inside you, you have Holy Spirit and you have us to guide you. You have the opportunity for an intimate relationship with us, so Heaven can outwork through those and through you, to touch the Earth.

So, all the things that are going on at the moment in the spirit realm require my people to participate, because they can’t fully manifest until they do. While ever they are slack, while ever they are distracted, while ever they are misinformed, and while they are ignorant of the realities of the Spirit, our plans are being held up. Yes, it’s the fault of my people that things are not progressing at the speed that they could. Come out of religion, come into the freedom of sonship, come into the understanding that it’s all about being about our business, and being our representatives to carry out our plans. That’s when what’s going on in the spirit realm will manifest to a greater degree and more rapidly, which is what we desire.

I leave it with you. Feel that you’ve been corrected. Feel that you’ve been re-tuned by what I’ve said. Don’t see it as a rebuke, because I love my people. They are the passion of my heart, and I desire them to work with us because that’s why you were created.”

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia. Since 2017 CCOP has been expanded to function as a network of prophetic voices.

NOTE: We are independent and not members of any prophetic alliance. Holy Spirit is our leader and King Jesus is our head and oversight.
