

Operating in Dominion is a Kingship Function

Early in 2021, I was quickened in my Spirit to begin learning what it meant to properly fulfil our role as kings. The first download I received was “Having Dominion Right Now”¹, which I kept to myself because the content would not be palatable to others if I distributed it.

Having created a ‘The Word’ article from it for my website,² below are the facts we can learn from what I was given.

NOTE: The references from the prophetic download are endnotes on the last 2 pages.

1. Dominion is properly operating in the domain you have been given to supervise.ⁱ
2. Operating in dominion is a kingship function.ⁱⁱ
3. When we administrate our lives we are operating as a king.ⁱⁱⁱ
4. When we take control of our situations and circumstances, and work with the Trinity to see them work out successfully, that’s operating in a level of dominion that they are pleased with.^{iv}
5. Objecting to the terms ‘dominion’, ‘rule’, ‘ruling’ and ‘ruler’, denies who we are and why we were created.^v
6. Denying dominion is denying our responsibility as sons.^{vi}
7. Our responsibility as Father’s sons on the Earth is to grow, mature and produce the fruit expected of us – including our kingly roles.^{vii}
8. We are not a Christian, that’s a religious term. We’re sons. We’re Father’s family.^{viii}
9. We are eternal beings because we are a spirit.^{ix}
10. We were created to operate like the Trinity who are spirit beings.^x
11. Our physical bodies were given to us to interact with the physical realm.^{xi}
12. Our spirit-man is designed to be the dominant component of our being.^{xii}
13. Our spirit is the same as the Trinity have.^{xiii}
14. Our spirit is the component that’s in the Trinity’s image and likeness.^{xiv}
15. The Trinity’s intention is for us to be in charge, just like they are in charge. Our spheres are different.^{xv}
16. Our dominion is over the domain that we’re given by the Trinity.^{xvi}
17. Our primary domain is our life.^{xvii}
18. We are expected to rule our own lives and have dominion over it.^{xviii}
19. The way we rule our lives is to align with the way the Trinity wants it done.^{xix}
20. When we are in alignment with them, they keep our lives stable and in line with the way they intend things to be and the way we’re supposed to function as sons.^{xx}
21. Since The Fall, dominion has become control, so we need to be careful how we rule.^{xxi}
22. The Fall has allowed Satan to bring his way for humans to operates which is why control is our default position.^{xxii}
23. We are expected to operate in dominion like the Trinity, without any type or level of control.^{xxiii}

24. When we rule our lives properly, we manage it, we administrate situations and circumstances, we set things in order, and we ensure that everything is stable.^{xxiv}
25. We can't control all the situations and circumstances we find ourselves in, so managing our lives allows us to administrate those that arise.^{xxv}
26. Using the Trinity's wisdom, knowledge and understanding, allows us to deal successfully with situations and circumstances, so that the outcomes become beneficial to us.^{xxvi}
27. We mustn't take dominion over others unless we are placed in a genuine position of authority over them.^{xxvii}
28. We're only to manage others as is required – no more than that.^{xxviii}
29. When managing others, it's very important to be in alignment with the Trinity. In that way, we get their mind on everything relating to those we are in charge of.^{xxix}
30. Be careful, because dominion very easily moves into control.^{xxx}
31. We're not to balk at the dominion that we're supposed to operate in.^{xxxi}
32. Never see proper dominion as evil.^{xxxii}
33. It's our sonship that places us in the right position to rule our lives as kings.^{xxxiii}
34. Dominion at the level the Trinity shows us and in alignment with them will allow their plans and purposes to be implemented in our lives.^{xxxiv}
35. The Trinity is pleased with the progress we are making in our sonship.^{xxxv}
36. Part of our maturity as sons is to to learn to operate in dominion in the way the Trinity reveals to us.^{xxxvi}
37. We're to allow ourselves to be taught and trained in dominion operation.^{xxxvii}
38. When we become successful in ruling properly, the Trinity is able to trust us and they will expand our domain so we have a greater impact in the Earth.^{xxxviii}
39. The Trinity is looking forward to us manifesting in our full capacity as sons and kings.^{xxxix}
40. There's a long way for us to go 'til we operate properly as sons and kings..^{xl}
41. To mature in this we must keep pushing forward while listening to what the Trinity is telling us.^{xli}
42. We won't be able to move ahead, unless our heart and mind agrees with our spirit.^{xlii}
43. That's why we need to keep our heart pure, free of 'clutter', attuned to what the Trinity says, so we can accept what they show us.^{xliii}
