

PROPHETIC JOURNAL ENTRY: A Lot of House-Keeping

This day is a new day for you. There have been many of these in the past, but this is special...

(personal information removed)

You are growing and maturing, which is a pleasure for me to see. Yes, you do have a long way to go. However, don't look at the downside of that. Instead, look at it as an exciting path ahead, so you can learn and spend time and your life with me.

It's good that you are dealing with negativity now in a better way than you have in the past. You recognise it and 'kill it' (most of the time) before it negatively impacts you. Well done, son.

There's a lot for you to learn, so keep your spiritual channel open and don't let the pressures of life and work drown out what I'm communicating to you.

You succeeded in your testing period, which was a pleasure to see. You know a great deal more now, about yourself, how to handle attacks, and about the enemy's manoeuvres. It was masterful for you to realise that "fear is illogical". Yes, it's all in the mind - it's an illusion of reality. Keep thinking like that and you'll make quicker progress in your growth as a son.

Today, I want to tell you that I love you. I know you've heard it all before. I know you experience my love and bask in it every day. However, the time is coming when this also will be tested. Know my love deeply and live in it. Feel it tangibly and let it soak into your being - every fibre of your being. I alert you to this so you're not caught 'off guard' [when it happens].

It's right and good that you've organised your brothers and sisters to send you for collection, what I tell them about what's going on around you [all]. This is essential. I don't want you to be unaware or 'caught out' by the machinations of those in control. I will always let my people know what's going on. That's what a good father does.

(personal information removed to protect the privacy of others)

This is a time of much turmoil in the world. It's important that it is as it is, because I'm shaking every system and exposing what's there for all to see. You remember, I showed you that in a dream?!

This is not yet your time to shine. Be patient as you have been and wait for the processes of my plans to take place so that you can [shine]. Stay hidden for a little longer and use the time to let me mold and shape you, teach and train you.

All is well - I'm in charge.

(Words in square brackets are to convey the sense of the sentence as I received it)
