

## PROPHETIC JOURNAL ENTRY: Rolling Back the Effects of The Fall

Yes, [I agree with what you just stated, that] I will achieve more through your alignment with me. This is what I desire from all my people. I can't achieve what I want to do without them and their compliance. It's no wonder [as you've said] that it's taken so long to get to this point, with very few wanting what I want [in the past].

This [alignment] is a factor of our partnership, of your sonship, so don't drift away from agreement [with me] to "do your own thing". Although you have the created authority to do that, it's your commitment to work with me that's critical in our plans to roll back the effects of The Fall. This is our major direction, not what people think or believe [it is]. That's it. Everything we do relates to that campaign.

It's like an army working and fighting, on a constant basis over time, to take back the territory that invaders have assumed<sup>1</sup>. That's a good picture to share with others, to help them see that they need to work like a military force, of teams of individuals, working with one purpose - freedom from the enemy. Do you see it? Tell others and let it sink into their heart and mind.

Thank you for aligning with us and complying, as often as you do. We are doing more with you and through you now than we have been able to do before. That's even though you can't see it. Don't falter. Keep in alignment, in partnership with us, so more can be achieved. Keep teaching others about alignment [with us] in all areas, because we still have a great deal to do with humanity's assistance, before restoration is complete. Then, we can return to the original purpose that we created you all for.

Enjoy your day, as we work together on life and Kingdom matters.
