MENTORING OTHERS

9-Do You Feel Like You're Escaping from a Wilderness?

(This is a mentoring article)

I received the following emailed statement from a fellow I've been mentoring:

"I feel something new coming soon.....like am out of a cave..."

That's a wonderful feeling if you've ever experience it, but always be sober in your way ahead.

Here's a few pointers to help you on your way:

1. When that feeling comes, it's important to know how to handle your feelings so you remain in alignment with Father as you move ahead.
2. What's required is pushing through any further obstructions by staying focused and hopeful, while maintaining your peace and rest.
3. Remind yourself that even though there's opposition in both the natural and spiritual realms, the difficult times you go through will strengthen you, provided you don't give in to them.
4. Opposition will provide experience for you so you're more mature and capable – it helps prepare you for your future.
5. Like every other son, you'll need to go through many tests and difficult experiences to prepare you for the great work you have to do in the future.
6. Testing is Father making sure you're ready for what he's planned for you.
7. Stick close to Father at all times.
8. Stay as much as you can in his presence, especially doing so at the start of each day.
9. Draw all your personal needs from his supply, including your emotional, mental and love needs. (That's where oneness is so fantastic – as Jesus demonstrated through his life on Earth with Father.)
