

A Different Take On: The Millennial Period

I've taught much on Revelation being a cryptic letter to the 1st century believers, rather than a manual for End Times.¹ Particularly in my investigative series, I covered many topics from Revelation, but not much on 'The Millennial Reign'.

To add to my teaching, the following is a short video teaching series from Mike Parsons which should be listened to in conjunction with the rest of what I've produced:

- "Millennial Period Part 2" youtu.be/UDh9q4s25WU

Believe It or Not!
The choice is yours

Whatever you choose to believe won't negatively impact Father's relationship with you
