

# A Reminder About Keeping Within Our Boundaries

Sometimes it's good just to hear the powerfully impacting words of Father about important spiritual matters for us in the 21<sup>st</sup> century:

*“Be particularly sensitive to the boundaries of what you can and cannot do. You only have authority where you have been given responsibility. It is always good to mind your own business unless you have been invited into the life and circumstances of someone else. Respect every individual right to autonomy.”<sup>1</sup>*
