

Breakthrough is a Process, not Instantaneous

Sometimes it's just important to hear from Father without any commentary. Here's one of those:

“You think of breakthrough as being sudden and satisfying, but it really is more of a process. You are breaking through spiritual and natural barriers every day to reach your desired goal and purpose. Breakthrough is the result of consistent effort to overcome every obstacle that stands in the way of progression. Perseverance is the key.”¹

Take note.
