

Cameo Message: October 2021

The message below was emailed to me by Kirsten Hunt, an up-&-coming prophetic voice from among the Kingdom citizens here in Canberra.

I pass on her message for three reasons:

- 1. It's an example of the type of dream communication that our King uses;*
- 2. The Spirit interprets the dream quite easily for the person, so it's source is from him; &*
- 3. It's confirmation for us of what's going on spiritually, behind the scenes, at the present time.*

## The Salt Chasers

(Kirsten's Prophetic Dream – 1<sup>st</sup> October 2021)

*"I had a dream in which a man was pulling out some cardboard boxes out of storage. The boxes had some dust, but were in very good condition. On opening each box there was a healthy amount of packaging fill carefully encasing a vessel, these vessels were called "salt chasers".*

---

*This is what I believe God has been revealing to me. God has meticulously kept or stored up His church (or vessel) for this time in history. Now is a time where He is unpacking us as individuals and churches to stand as a display of His Kingdom. It is a time of destiny and reawakening. God has stored us up (His people), as the church for such a time as this.*

*As "salt chasers", it is a time where we will be released to passionately chase or pursue the Kingdom of God and truly become the salt (preservation, healing and flavour) of the Earth (Matthew 5:13). There is much to come.*

*His Kingdom come!"*
